Explosive spirit sparked by

Rallying our team on to victory were the Indian mascot and his squaw, Harry Maddren and Judy Michaud. Adding to the list of spirit makers were our five yell leaders and five song leaders.

The vigor rose in the fall semester, as our fighting Indians scalped many a "heap" big team in the football season. As the year progressed, the spirit continued, adding strength to the hard fighting Indians and Braves. Along with the spirit, the victory flag also rose throughout the year. High enthusiasm for a team always boosts the will to win!

This year seemed to mark a high point in school spirit. Let's hope that next year's teams will have the opportunity to again "go on a rampage" for the cheering students of John Burroughs High School.

Do you have a way with crepe paper? Are you a flute player? Can you make that spare? Are you a fleet-footed runner or a silver-tongued orator? Parlez-vous français? ¿Se habla español? Any one of these special qualifications will make you more than welcome in various clubs at John Burroughs.

There are a great variety of school sponsored organizations and clubs throughout the campus, ranging in subject from athletics to creative writing, which encourage active participation. Among the largest are the Girls' Athletic Association and the All Lettermen's Athletic Club. Working in association with these organizations are the Lettergirls' and the Varsity Lettermen's Clubs. Other sports groups are the Bowling Club and the Modern Dance Club. Minorettes, majorettes, song leaders, Pep and Rally Committees, and the three class councils are all organized to serve as guides for promoting spirit.

Among the service clubs are the Key Club for boys and the corresponding Zonta Club for girls. Another service club is the Ushers' Club, which serves at assemblies. For those who are intellectually inclined there is the Honor Society or California Scholastic Federation.

Students with special interests can join the French Club, the Speech and Debate Club, the Instrumental Music Association, the Photography Club, or the Spanish Club. Other organizations with open membership are the Assembly Committee, the Publicity Committee, American Field Service, and any committee formed by the Girls' League. So all you crepe paper hangers, spare makers, and flute players, John Burroughs has found a home for you.

I thought I would have gotten sick of you after 6 years, but I haven't there were a lot of memories to look back on Wacey and what will be of you. I fear no one has ever told I'll tell you now you're the greatest. I hope your future will be filled with nothing but success, you'll be a good person to forget. Not that I want to. Love Always Kevin

Everlasting memories formed

Do you look forward to the day when you can exit from an assembly without having to spend most of Nutrition period just getting out of the side door? Do you have second assembly and wish that you could get to your history class on time for a change and not have to duck under the projector because you missed the start of a film? Try to have fortitude, for these troubles will quickly cease once you reach the rank of Senior.

John Burrough's Seniors have many traditional privileges. These include sitting in choice assembly seats and filing out from the auditorium prior to the dismissal of the Juniors and Sophomores. Seniors also have the exclusive privilege of entering the auditorium by the Senior Door. Juniors and Sophomores who enter the auditorium through the Senior Door do so at their own risk.

Respect is shown to Seniors in still another way. They are allowed the use of the Senior Patio. Here one may gnaw peacefully on a tuna sandwich or hurriedly review for the next period's test.

The highlights of one's Senior year are the Senior Prom and graduation, which is followed by the All Night Party. These events are somewhat costly, but serve as a glorious culmination to the year.

This year's Seniors desired even more privileges and events solely for their class. The movement was led by a Senior Council whose members wanted to make their last year at Burroughs as exciting and stimulating as possible. Through student and faculty cooperation, dreams such as that of having a Senior Picnic materialized.

Physical fitness furthered at John

Ancient Greeks believed that an educated man should have a sound body. They knew that the physical development of a person was as important as his mental development. In order to achieve this goal, they established schools which had strong academic and athletic departments. John Burroughs High School is similar to these ancient academies in both respects. Burroughs ranks among the best high schools in the state academically. This has been proven by the great number of alumni who have received honors at the University of California.

Athletically, Burroughs provides an extensive and varied physical education program in which all students participate. This program is contained in boys' and girls' gym classes, the Girls' Athletic Association, and many sports opened to boys.

The girls' and boys' physical education classes strive to build a healthy, co-ordinated, and physically fit body through individual and intra-mural athletics. The girls participate in archery, tennis, badminton, volleyball, basketball, softball, field hockey, and body mechanics. The boys take part in football, basketball, swimming, archery, wrestling, volleyball, track and field, softball, and line dodge ball.

As an extracurricular activity, the Girls' Athletic Association enables a girl to earn a letter by participating and being rated in sports. They compete with other feminine teams from the Foothill League throughout the year.

Inter-mural sports for boys are many and varied. Football, Basketball, Cross Country, Track and Field, Tennis, Baseball, Swimming, and Golf are offered to enable a person to compete against other schools, earn a letter, and build character.

The academic and athletic education provided by Burroughs enables every student to progress physically and mentally.

Variety of classes prepare students

for the future

John Burroughs' students find education to be a major force in their lives.

Because it is a major force, and because in every school year many hours are devoted primarily to learning, faculty members have the responsibility of making their classes as interesting as possible. In many classes this is accomplished through the use of films, slides, and records. Each year greater diversification is presented to give classes more appeal.

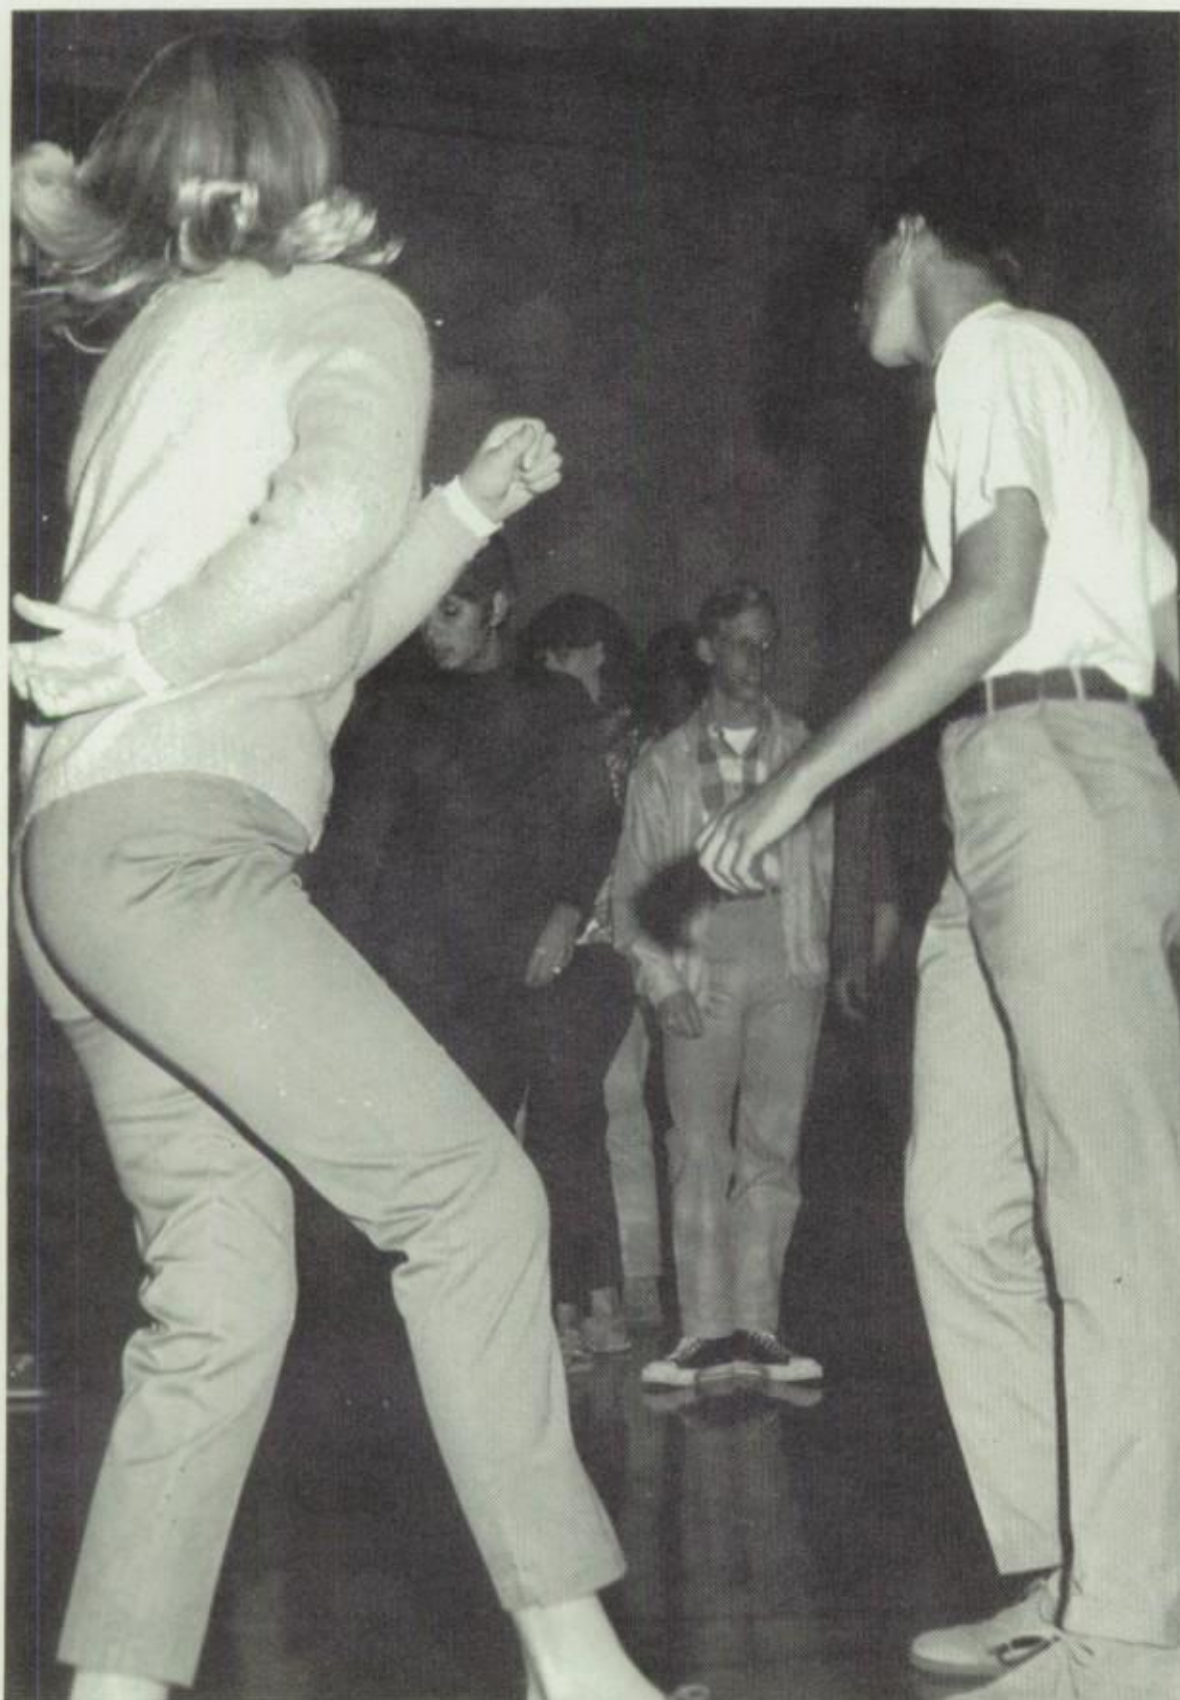

John Burroughs' curriculum takes in various types of classes. Certain subjects are required of all students. Both required subjects and electives are combined into certain courses of study. Through careful thought the student can choose the course that best corresponds with his career plans. Tenth grade students are required to take health, safety, European History, and English. Eleventh graders must take United States History and English, while Twelfth graders are required to take government, senior problems, and English. In addition, the California state law requires that physical education be taken throughout each senior high school year.

The school motto, "The Torch of Knowledge Lights Our Way", is very appropriate. Our goal at John Burroughs is to learn everything possible. Often our will to do so falters, and we find ourselves in a state of scholastic lethargy. It is essential that we rise above these periods of depression, and think only of the rewarding days in the future brought about by today's hard work.

It sure is hard to learn, but it's well worth it. I'm going to have fun tonight and grad night. I'm kinda scared, but it's going to be fun. I wish you all the luck. You've got beautiful eyes and you are just a doll. Be good and bless you. Love ya, Holly

ACTIVITIES

"Where the action is" can best describe the activities at John Burroughs. This is a typical scene of what takes place on the dance floor of a sports night. Along with dancing, students participate in volley ball, swimming, and ping-pong.

When school commenced early in September, it meant that it was the beginning of a vivid year full of many gay and colorful activities.

Starting the year was the annual Sophomore Orientation Day, and thus a year full of arousing activities began. From orientation day on, John Burroughs played host to such varied activities as swim dances, football games, rallies, sports nights, Bermuda Day, Crazy Clothes Day, John Goddard assemblies, folk and talent assemblies, basketball games, swim meets, track meets, and baseball games. Also there were the Junior and Senior proms, an operetta, a Senior Car Wash, graduation, and the All Night Party. Included also in this year's list of activities were many clubs and organizations such as the French and Spanish Clubs, and a Bowling, Pep, Lettergirls', and Lettermen's club. Others were the Modern Dance, Photography, Speech and Debate, Ushers, Key, and Zonta clubs. These enjoyable activities helped to make this year at John Burroughs one well remembered, pleasurable year.

Burroughs hails Class of '68

Sophomore Orientation Day brought an eager group of Sophomores together at the John Burroughs auditorium for the purpose of discussing plans for the new semester. The incoming students are PAM THORNTON, MARILYN FRIEND, LINDA WATSON, SUE STEWART, and DONNA McGREGOR.

Pre-change of programs proved very effective as counselors MRS. KATHERINE ARNERICH and MR. ROBERT VOSS re-schedule new Sophomores.

At the Parent Teachers' Association luncheon, which annually is held in the cafeteria, Spanish teacher ROBERT HEADLEY is shown along with two other members, helping himself to the luscious food.

Posing for his student body identification picture, is Sophomore DAVID WIDOW. As the photographer instructs him to smile, she reminds him that it's what you put before the camera that comes back.

After introductions of class committees and officers at the ASB Breakfast, BILL BOWERS, STEVE SEXSON, STEVE FORTMANN, and TEE GUIDOTTI discussed plans for future student government.

Sophomores were welcomed to John Burroughs High School at an orientation assembly offered on the Friday prior to the opening day of school.

Held in the auditorium, the program included introductions of Principal Sherman Chavoor, Student Body President Bill Bowers, and the chairmen of various ASB Standing Committees. After their introduction, the Song and Yell leaders led the incoming students in yells to familiarize them with the John Burroughs school spirit.

Also introduced for the first time was the American Field Service student from Australia, Jennifer Good. She gave a brief talk concerning her home in Melbourne.

Following the program, in an attempt to familiarize themselves with their new surroundings, the Sophomores took the opportunity to tour the school.

New student handbook proves

Nancy, Well Babe!
I've seen you for 3 yrs & then finally this year I was fortunate enough to meet you. I've always wanted to get to know you since we were sophomores and had typing together. I show you the difference between the two of us. I saw you were the best day and yet when I told you we had that class together you didn't even know I was in your class. I can truthfully say, without warring about hurting anyone's feelings that you turn to 15

Burroughs' Girls Athletic Association sponsored the first all school sports night of the year as Seniors CAROL SARAGOSSI, LINDA MORGAN, and CECILIA ANDRADE demonstrate their enthusiasm for school activities.

Student handbooks issued to students at the beginning of the year prove very beneficial in understanding student government, school policies, and other information helpful to Sophomores STEVE McDONOUGH, BARBARA PERRIN, RENEE HAMMOND, and JO ANN STEIFIELD.

helpful reference

Burroughs activities prove popular as Senior ARLENE LEHMEN and an outside student participate at a Swim-Dance.

Welcoming new girls to Burroughs and helping them get acquainted with its people are PENNY WARRINER, PRISCILLA GRIFFIN, PAT HENDERSON, and ELEANOR WHITE. Also included at the New Girls' Tea was a presentation of Girls' League officers and a few routines by the song and yell leaders.

Did you ever wonder what classes you need to graduate from high school? Or have you wondered who John Burroughs was, or how long Burroughs has been a high school? Perhaps you have wondered what the school constitution has to do with you.

John Burroughs' administration and faculty decided to answer these questions and to avoid constant visits to student counselors by publishing and distributing the new John Burroughs Student Handbook. The old handbook was completely revised and a section on college entrance requirements was added. The book was designed to aid and help the students in student government, school standards, policies, and activities. It is hoped that the handbook can be revised every three years.

Lettermen's

In order to qualify for membership in the Varsity Lettermen's Club, each boy must have earned a letter in one of the following varsity sports: Football, Basketball, Cross Country, Track, Swimming, Tennis, Golf, or Baseball. The purpose of the club is to purchase and present trophies to outstanding athletes. These are presented at sports banquets. President of the club is Doug Clark. Mike Malloy is vice-president, and Steve Hillyer is secretary and treasurer. The lettermen sponsored the Lettermen-Lettergirls' Exchange and a dance after the Notre Dame football game.

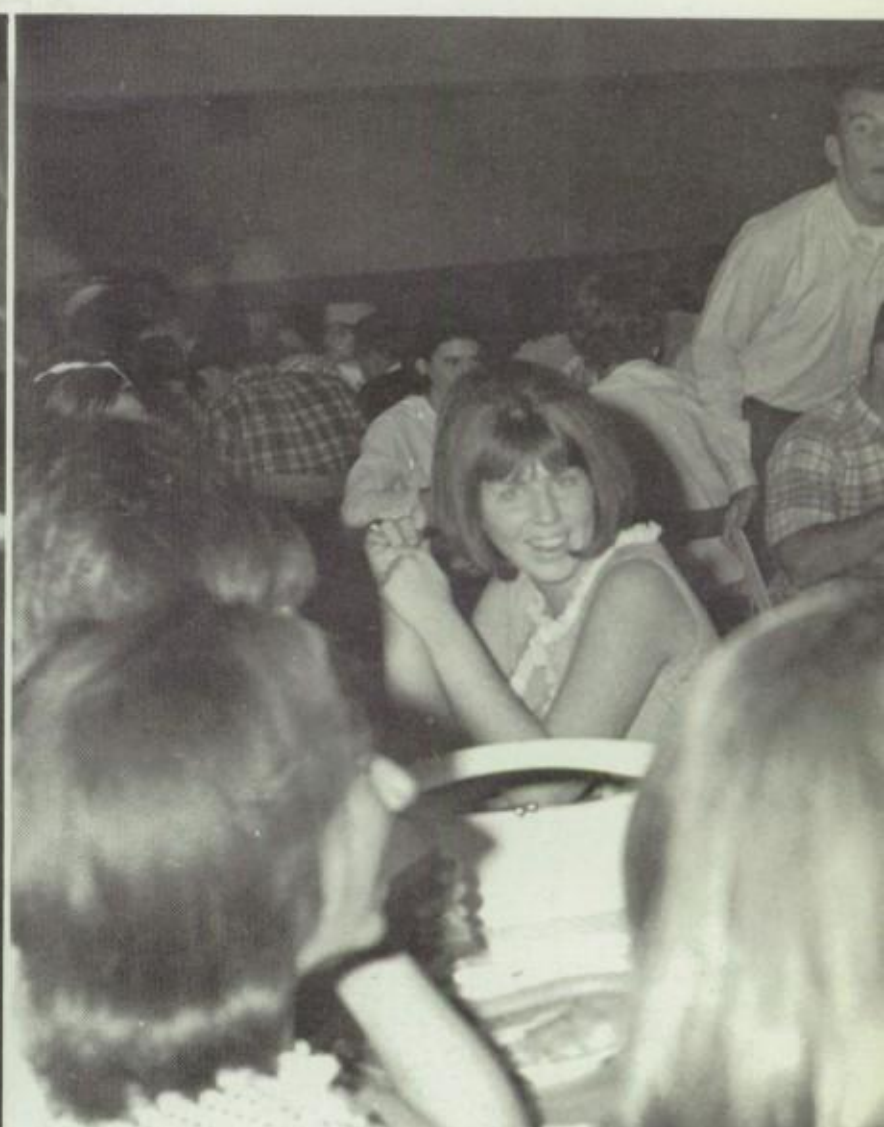

Members of the Girls' Athletic Association and Lettergirls' Club look forward to attending the annual potluck. Shown expressing gestures of joyous glee are PAULETTE PENA, BITTERSWEET WOJTYLA. DARLA LAUBLE, GLADYS LEE, PHYLLIS IWERKS, CAROL SARAGOSSI, BARBARA INGLISH and PHYLLIS VIDAURRI.

Rallies spur football

Helping to arouse more spirit at the noon rallies are the Dixie-Sinquents. Combined with the song and yell leaders, they helped to make the rallies more successful. Members of the Dixie-Sinquents are DAVE VIDAURRI, VIC GOLDBERG, TERRY ODOR, NEAL BADGETT, BOB WATSON, LAURA FREEDMAN, BOB JORGENSEN, and ED MARTIN.

Strike up the band, add a few yells, and a couple of routines done by the song and yell leaders, and you find yourself in the middle of a high spirited, enthusiastic, noon rally.

The band that is playing is the Dixie-Sinquents, which is a dixieland band comprised of a few members of the marching band. Besides playing at noon rallies, the Dixie-Sinquents also play at basketball rallies and basketball games. They help in supplying the added spirit which makes the rallies so successful in backing our teams.

Sponsoring the dance after the Crescenta Valley football game, at which TERRY STERN and SHERRY MELMAN are seen participating, is just one of many Girls' League activities.

Girls and their mothers are shown serving themselves Polynesian type food at the Hawaiian themed Mother-Daughter Banquet. The banquet was made more authentic because many mothers and daughters came dressed in Hawaiian shifts.

Seniors BILL SURWILL and DAVE VAN DEVENTER eagerly buy Akelas at the Senior sale from staff members CHARLA SCHREY, SHIRLEY HOLLE, AND JEFF WILSON.

Every year the Girls' League sponsors the Mother-Daughter Banquet. Its purpose is to give the girls and their mothers a fun-filled night out together.

This year the organization presented a Hawaiian luau. The Polynesian dinner was catered, and upon entrance each girl and her mother was presented with a lei and a pineapple name tag. Girls' League President Judy Aboud introduced her officers, and entertainment consisted of songs by the Girls' Choir and a duet by Barbara Blecka and Larry Leming.

Girls' League Luau

Marching to the tune of "Americans We" down Verdugo Road is the John Burroughs Band and Minorettes. Led by the majorettes, they marched to Jordan for a rally that was to spark enthusiasm for the Burbank-Burroughs game that evening. On the way the band stopped at TAMARA WONG'S house, a member who had been ill, and dedicated a song to her. Marching to Jordan helped to prepare the band and minorettes for the Hollywood parade which followed shortly after.

Activities spark Class of '66

Performing at the Thanksgiving assembly are the John Burroughs combined Senior and A Cappella choirs. Under the direction of MR. DWIGHT MARTIN, the choirs performed such numbers as "Dream Bethlehem", "God of Our Fathers", "Infant Holy", "Guiding Star", and "Chester".

Displaying the skills that helped them wash over 100 cars at the Senior Car Wash are Seniors CHERYL BROWN, SARA MARCINKO, ED MAHLER, BOB RENNIE, STEVE SALO, DAVE WEHMEYER, MARC LEVINSON, TOM MARX, DAVE ANDERSON, JEFF WILSON, and PAM GREENE. Senior Class President NATE CAPALDI directs the operations.

Seniors in the graduating Class of '66 began their last high school year with two activities, the Senior Car Wash and the Senior Picnic.

Seniors sold close to 200 car wash tickets to the annual event. Sixty-five Seniors turned out to wash over 100 cars at the activity, and they netted over \$140 for the Class of 1966.

Another activity which was "a first" for the class was the Senior Picnic. Activities included relay races, jump rope, a water-balloon toss, and volleyball.

reigns

Highlighting the annual Burbank football rally on the afternoon of the Burbank-Burroughs football game was the crowning of Football Queen Betty Jo Thorp. The princesses were Marlene Furrer, Nancy Cole, and Penny Warriner.

Both the Varsity and "B" football teams nominated the twelve candidates who were Elaine Brethour, Carrie Rector, Robin Parker, Joy Sottile, Betty Jo Thorp, Debbie Harter, Penny Warriner, Marlene Furrer, Vicki Regaldo, Marianne Ford, Diane Sanders, and Nancy Cole.

The rally also included the appearance of a dog-eating monster. In addition, the Burbank High School Majorettes performed one of their unique routines.

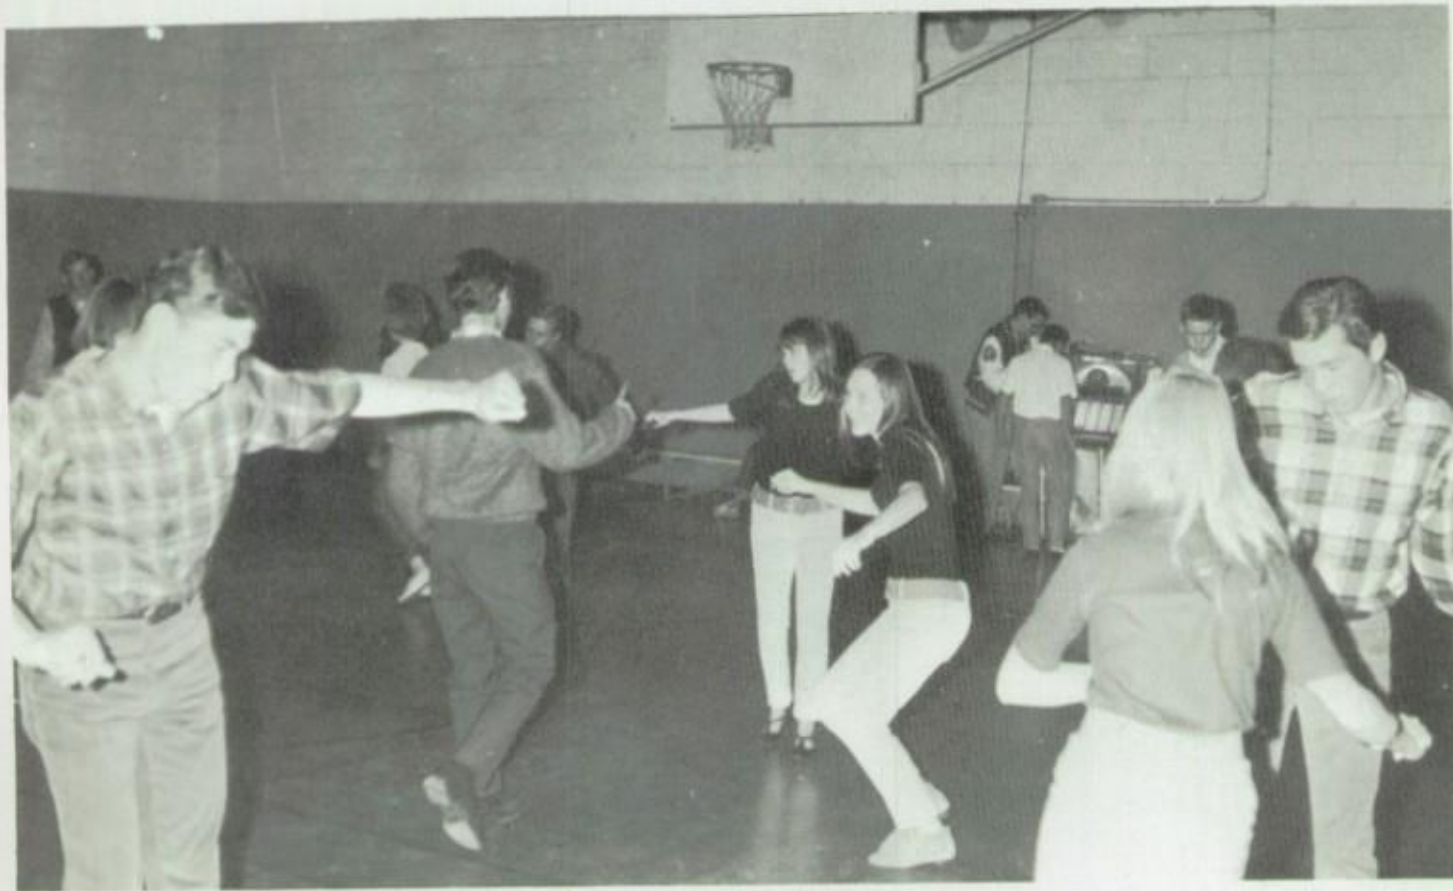

This year over 250 couples attended the fall Backwards Dance which was entitled "Christmas Carousel." Highlight of the dance was the crowning of Backwards King BOB McCORKLE.

Although it was cold and raining on Bermuda Day, students proved that nothing can stop the Burroughs spirit.

Burbank's All City High School Band marches past the KTTV cameras as it rounds the corner from Orange Grove onto Colorado Street at the Rose Parade in Pasadena.

After a basketball game, students show their enthusiasm for activities as they participate in an after-game dance in the girls' gym.

achieve service awards

Student Body President BILL BOWERS presents twenty-three students with service awards awarded them for outstanding service to the school.

While Seniors previewed the Senior Play, "I Remember Mama", Juniors and Sophomores, along with song and yell leaders ROBIN PARKER, BETTY JO THORP, JOY SOTTILE, TERI BAXTER, and RICHARD BUSS, were introduced to the 1966 basketball team.

This year at John Burroughs more students served the school in outside activities than ever before. In the fall semester, twenty-three students achieved service awards.

In order to be eligible for an award, a student must give 125 hours of school service. Students can earn points by participating on committees, belonging to clubs, being in minorettes, reporting for journalism, and by passing out Akelas.

Bill Bowers and Steve Sexson presented the awards in the Awards and Installation Assembly. In addition to the students who achieved their first award, some received their second and third awards. Students receiving the first award were presented a bronze key. Second award winners received silver keys and third award winners received gold keys.

Publications win awards

John Burroughs High School boasts two award-winning student publications. They are the Smoke Signal, our student newspaper, and the Akela, our yearbook.

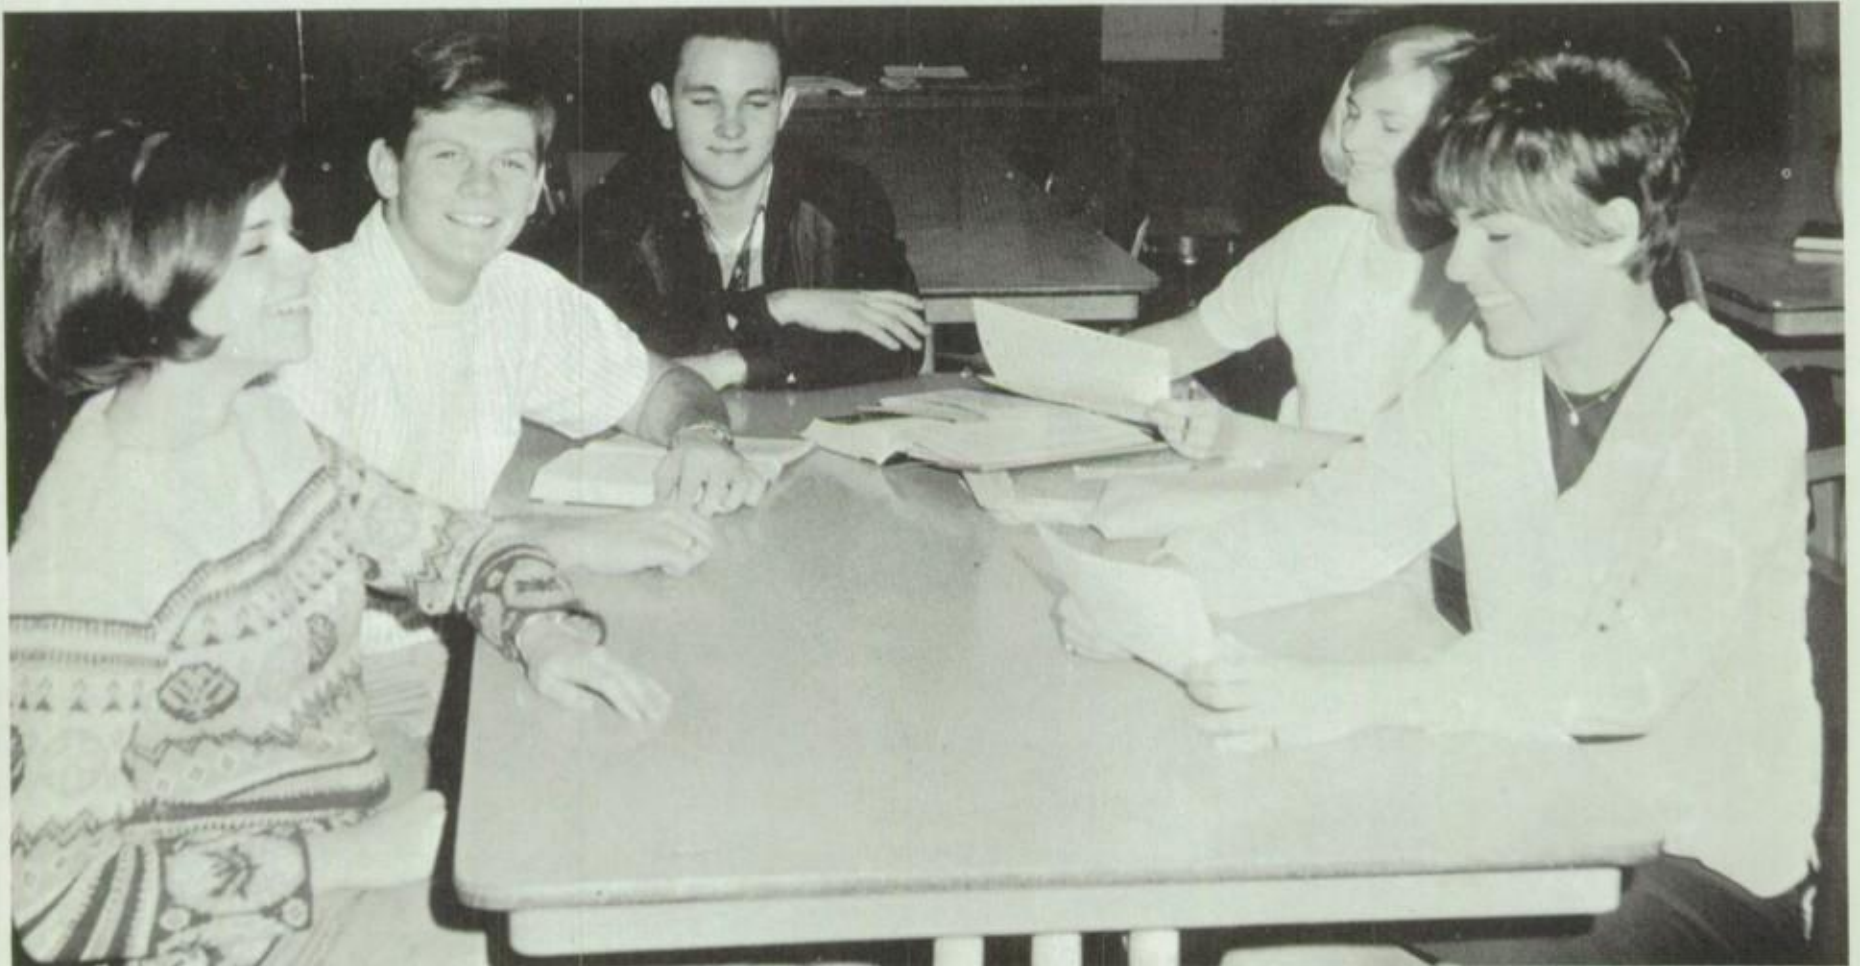

The Smoke Signal began its eighteenth year of publication last semester. It is published every two weeks by the advanced journalism class and the offset printing classes, and it is distributed to the student body during all three lunches.

A staff of 15 Seniors and 5 Juniors comprise the editorial staff of the paper which won first prize and a trophy for high school papers at the California Polytechnic College Journalism Day last year.

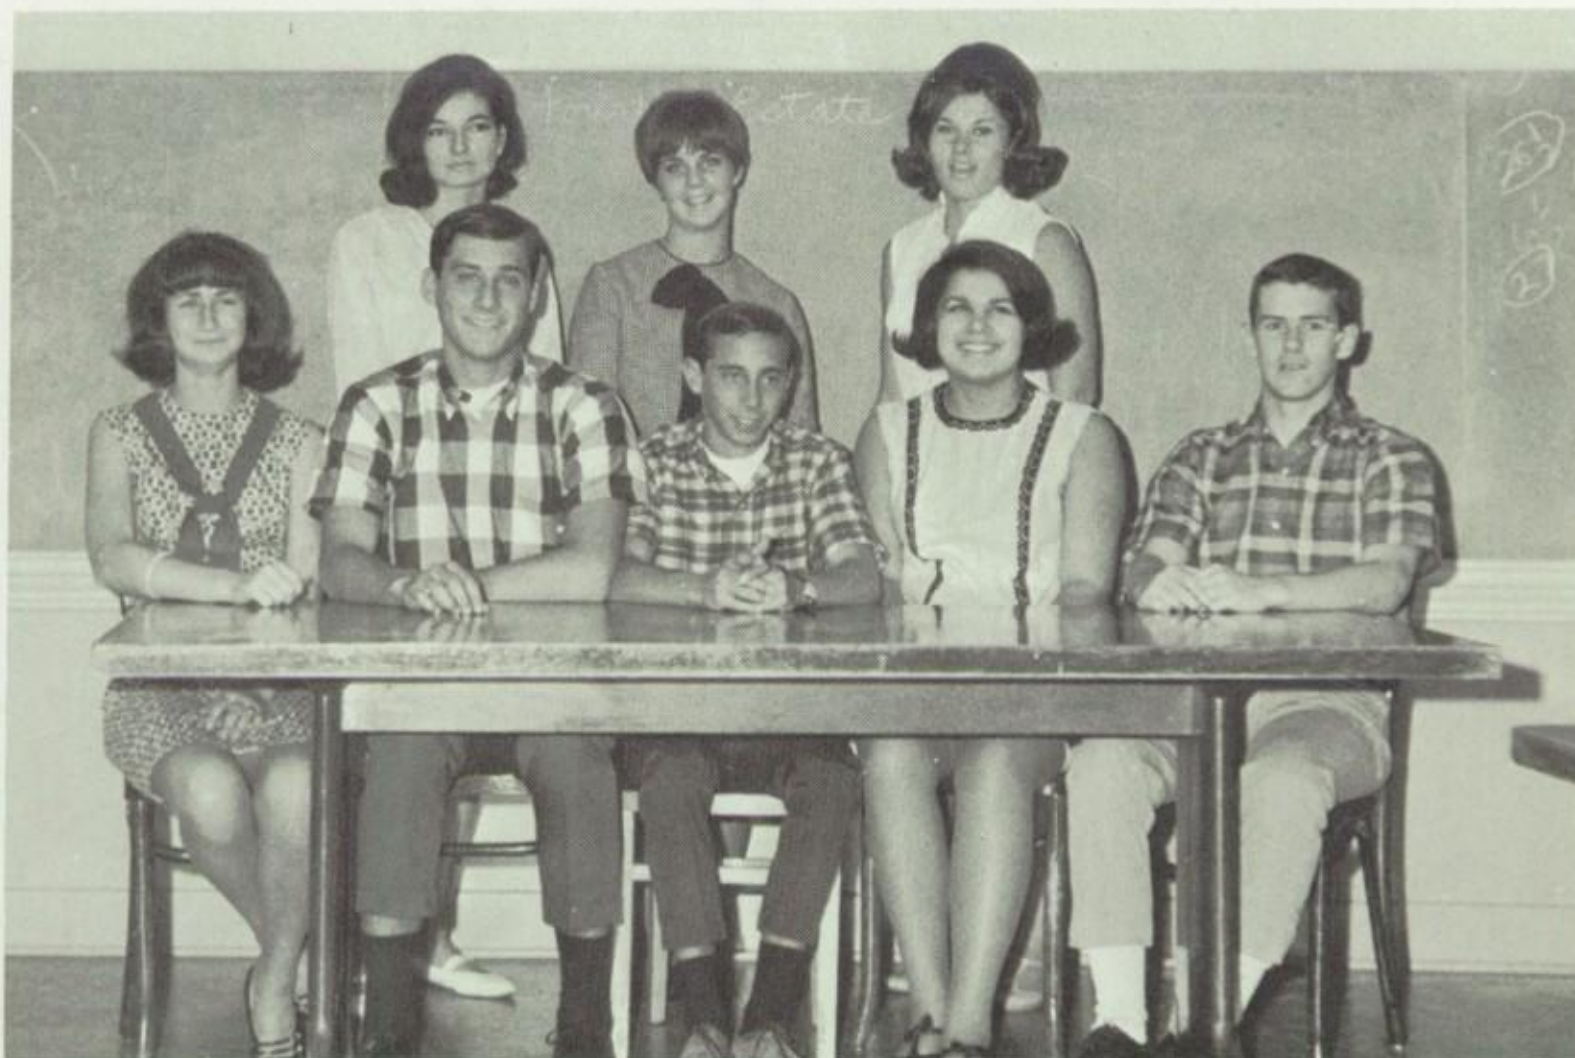

The 1965 Akela was awarded an A grade by the National School Yearbook Association. Of 3,000 schools participating nationwide, the Akela was in the upper seven per cent of the rating.

Many months of checking names, planning pictures, and writing copy help Akela staff members NATE CAPALDI, SHIRLEY HOLLE, PAT DAILY, CHARLA SCHREY, and FAYE CREGGER to produce a quality yearbook.

Cropping pictures and writing cutlines and copy make up regular class procedure for staff members EBIE BRETHOUR, JEFF WILSON, THOM MC CARTHY, PAT PHILLIPS, and LINDA CONNER.

Paste-ups, layouts, and deadlines keep Smoke Signal staff members CHERYL BROWN, PAM GREENE, WILMA WILSON, BOB RENNIE, JUDY ABOUD, TOM MARX, MARC LEVINSON, and ROBIN RUNYAN on their toes for weekly deadlines.

Reporters and columnists STEVE KENOFFEL, JEFF WILSON, LYNN DREXLER, DAVE ANDERSON, DAVID WEHMEYER, JIM ANDERSEN, RICK TALCOVE, ED MAHLER, SARI MARCINKO, VIRGINIA MARTIN, DON CHOQUETTE, and STEVE SALO write the copy for the student published newspaper.

A cappella, girls,' and senior

All boys entering Burroughs who like to sing may join A Cappella choir. For every boy member, there are two girls. Activities of the choir include performing at choir festivals, assemblies, the baccalaureate, and graduation.

Performing at choir festivals and assemblies are the three Burroughs choirs which are directed by Mr. Dwight Martin. The three choirs are Girls', A Cappella, and Senior Concert.

This year, the Senior and A Cappella choirs combined into the operetta production choir, which presented to the classes of '66 and '67 the Operetta "Flower Drum Song".

To be in Girls' Choir one does not have to meet any qualifications. A Cappella choir requires one boy for every two girls, and Senior Choir requires a special aptitude for singing. Also the student must show a desire to sing and he must be able to put forth that extra time which has made the choir one of the best high school choirs in the valley.

In addition to the marching band, there is a dance band known as the Dixie-Sinquents. They performed at basketball games and at rallies.

John Burroughs' 1966 basketball squad announced DIANA FEOLA as their Basketball Queen. She reigned at the Burbank-Burroughs rally and game along with her princesses PENNY WARRINER, CARRIE RECTOR, and PRISCILLA GRIFFIN.

Scrambling to get the ball are players from the KRLApes and the John Burroughs Faculty. The game was held preceding the Harlem Clowns vs the Burbank All Star game. The night was victorious for the faculty.

1966 Basketball Queen

John Burroughs' basketball squads voted Diana Feola to reign as their 1966 Basketball Queen with her princesses Penny Warriner, Carrie Rector, and Priscilla Griffin.

Each season, the basketball and football teams each select a queen and three princesses. Nominees are first chosen and their pictures are posted in the main showcase in front of the school. The final queen and her court are announced and crowned at the Burbank-Burroughs rally.

Nominees for Basketball Queen were Diana Feola, Marlene Furrer, Penny Warriner, Carrie Rector, Priscilla Griffin, Chris Jost, Sue Gibson, and Joy Sottile.

Stamping, shouting, and clapping helped make a colorful assembly of the Casuals and the Hollywood All Stars. Among the members of the Casuals are three John Burroughs graduates who are WAYNE ALLWINE, TOM JACKMAN, and RED DAVIES.

Awarding STEVE LUKASIAK the Most Valuable Player on the "B" team award at the Basketball Banquet is "B" coach RONALD CRAIG. Also shown is MR. JAMES LLOYD, MR. and MRS. SHERMAN CHAVOOR, and MR. and MRS. KALE CANFIELD. Highlights of the evening were the presentation of awards and letters, and the showing of a basketball film.

Girls' League President CHERYL CURTIN crowns KEN SWINK king of the Backwards Dance. "Lollipops and Roses", theme for the semi-formal affair, also featured JOHN MEAD and KEVIN LEWIS as the princes.

Crazy Day and its unusual antics produced VICTOR GOLDBERG being fed lunch "intravenously" as ROBERT WATSON watches unbelievably.

The Girls' League's annual Crazy Day was climaxed by the semi-annual Backwards Dance entitled "Lollipops and Roses".

Crazy day and its traditional festivities included the crowning of Mr. Mona Kneesa and class competition in gym classes. The competition included a tug-o-war, sack races and wheelbarrow races.

"Lollipops and Roses" featured the crowning of Ken Swink as king and John Mead and Kevin Lewis as the princes. Nominees were selected in the Girls' Physical Education classes. They were Doug Clark, Marc Levinson, Kevin Lewis, Chris Levenson, John Mead, Dennis Paggi, Ken Swink, and Ted Faro.

Trappers ROY ZETTEL and MIKE HEINE were caught for a moment during the "hunting" Crazy Day.

Discussing dinner plans at the Backwards Dance are DEBBIE HARTER, MIKE BUNCH, PAT FORD, and DEBBIE CARTER.

Senior DIANA FEOLA places a penny in the box of one of five boys competing for the best knees in the Mona Kneesa contest. MIKE WILSON won the honor in which WAYNE CHUBB, STEVE BERTA, GEORGE HILL and AL IACOBONI also participated.

"Flower Drum Song" smashing

Cast members look on enthusiastically as JOHN COLLINS, MERRA LEE HUMMER, PAM DAY, and CHRIS CASADY contemplate their parts. The leading roles were "Mei Li", Merrra Lee Hummer; "Wang Ta", John Collins; "Linda Low", Pam Day; "Sammy Fong", Chris Casady; "Doctor Li", Dwight Martin; "Madame Liang", Jackie Williams, "Wang Chiang", Bill McCleary; "Frankie Wing", Gil Reigers; "Helen Chao", Barbara Blecka; "Wang San", Paul Solomon; and "Madame Fong", Joanne Gaskill.

In the nightclub scene from "Flower Drum Song", "Frankie Wing" who is portrayed by GIL REIGERS is shown introducing PAM DAY who played "Linda Low" to the audience.

Every other year the music and drama departments combine to present an operetta. They have in the past produced such great musicals as "Brigadoon", "Annie Get Your Gun", "South Pacific", and "Bye Bye Birdie".

This year, the classes of '66 and '67 added another success to the list when they presented their version of Rogers and Hammerstein's musical, "Flower Drum Song".

The operetta could not have been the success that it was without the direction and supervision of the faculty. A special commendation goes to choir director Dwight Martin and drama instructor Mr. Ernst Korngold. Mr. Robert Rose conducted the orchestra and Mrs. Barbara Cooper choreographed the various dances. These faculty members deserve credit for the time and effort they devoted to helping the cast put on an outstanding performance.

CHRIS CASADY looks on as "Sammy Fong" while BARBARA BLECKA helps PAM DAY with her costume. Pam plays the part of the nightclub star "Linda Low", while Barbara Portrays the seamstress "Helen Chao."

Down on his knees, "Sammy Fong" pleads with "Mei Li" not to marry him. "Sammy Fong" was played by CHRIS CASADY and MERRA LEE HUMMER played "Mei Li."

"Madame Liang" played by Senior JACKIE WILLIAMS is shown pulling the ear of PAUL SOLOMON who played "Wan San."

The California Scholastic Federation is composed of the highest quality students at John Burroughs.

Honored as Sealbearers this year were Seniors TOM SMOLICH, PAT PHILLIPS, PAUL-ETTE MORROW, MARCIA MILLIGER, MARCUS KURN, and IAN JOECK. These students received this honor after being members of the California Scholastic Federation for four semesters.

rewarding to students

STEVE FORTMANN and RON FINK enjoy themselves at the Huntington Library on the California Scholastic Federation and Honor Society field trip.

Students at John Burroughs excel in academic excellence.

The hard work that these students put forth is rewarded by their automatic membership to either Honor Society or the California Scholastic Federation. Honor Society requires a B average in all classes excluding Physical Education. It is not an easy task to become a member of the California Scholastic Federation which requires an A average with a minimum of three solids. These two organizations are under the direction of Mr. Thomas Marshall and Mrs. Sally Beaton.

To become a Sealbearer a student must have been a member of the California Scholastic Federation for at least four semesters. Only six students achieved this honor the first semester.

Outstanding work rewarded by

Joining the long list of past leaders of John Burroughs was BILL BOWERS, elected by the students as Student Body President for the first semester. In addition to acting as president, Bill maintained a grade average of at least 2.5, as well as being a participant in many Speech and Debate tournaments.

Students doing exceptional work for John Burroughs are recognized in many ways.

Bill Bowers gave his time and effort by acting as Student Body President and has done much to gain our admiration.

Akela Editor-in-Chief Pat Phillips assisted the student body by co-ordinating the copy, pictures, and layouts into an excellent yearbook.

Faye Cregger gave assistance as well as helpful advice by acting as Akela Associate Editor-in-Chief. Besides assisting the editor, Faye made sure that all the deadlines were met.

The Smoke Signal keeps our student body informed on activities around school. The fall editor, Tom Marx, saw to it that the presses were kept rolling.

The orchestra and band were benefited by the talent of trumpet soloist, Terry Hull.

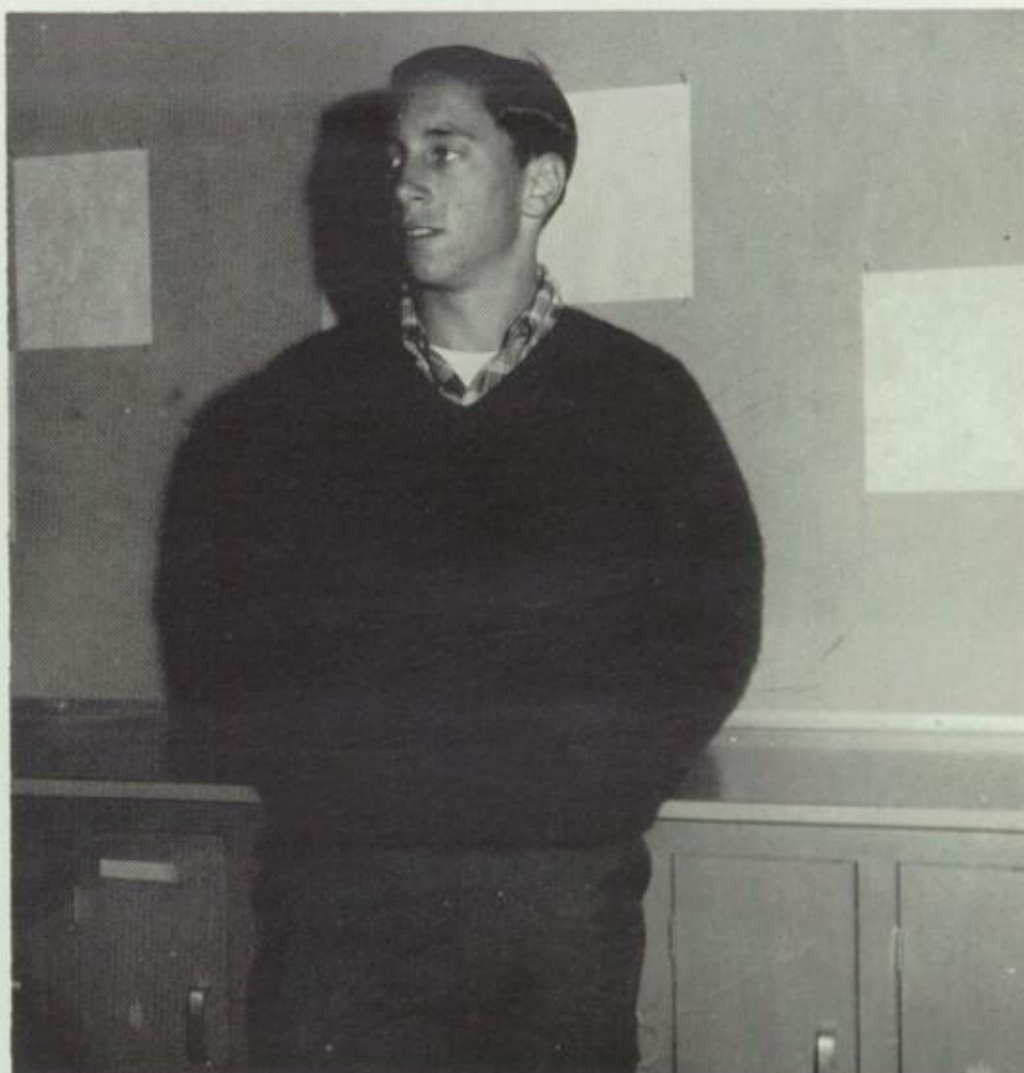

Doing an exceptional job as Akela Editor-in-Chief this year was PAT PHILLIPS, appointed by Akela advisor, MR. CONLEY McLAUGHLIN. Among other achievements, Pat is a member of the California Scholastic Federation.

Cracking a big smile for the photographer is FAYE CREGGER, associate Akela Editor-in-Chief. Faye, besides helping to turn out an excellent yearbook, also was Girls' League Vice President and a member of Honor Society.

TERRY HULL was selected by MR. ROBERT ROSE, director of the marching band and orchestra, as the outstanding trumpet player of the year. Many hours of practicing helped him to attain the honor of top musician.

Students receive

Associated Student Body President for the spring semester at John Burroughs was IAN JOECK. Finishing his last year of high school, Ian followed the tradition of past outstanding leaders. In addition to giving leadership to the students at John Burroughs, Ian conducted all Legislative Council meetings.

Senior JENNY GOOD was the foreign student who came to John Burroughs this year from Australia. Jenny gave the students an idea of what Australia is actually like.

CAROLYN CHRISTENSEN spent her Senior year as a foreign student in Italy. Since the summer of 1965, Carolyn had been living with MARISA DI DONATO and her family.

congratulations

Senior SUE JOHNSON was named as the High Vocational Winner for this year. She succeeded in gaining the best record in vocational courses.

Honor to your school may be obtained in a number of ways.

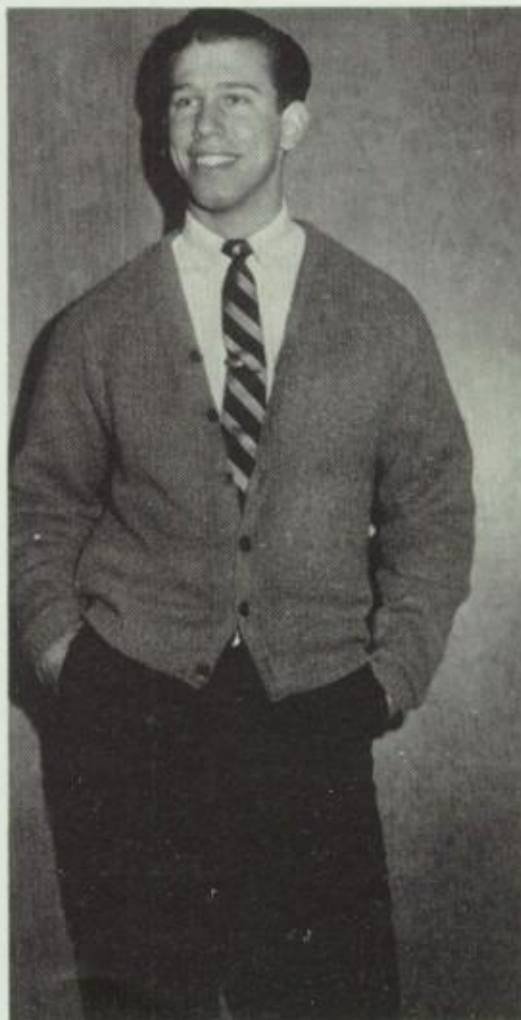

Foreign exchange students for this year are Carolyn Christensen and Jenny Good who will both go home with remembrances of their stay.

High acclaim may be won by leadership, high vocational ability, or high academic standings.

John Burroughs has won a good reputation through such awards given to students as speech trophies, art awards, and high-scoring certificates for Time Magazine's 30th annual Current Affairs Contest.

Award winners NATE CAPALDI, BOB HARRISON, JOEL CARMEL, ROB BOWERS, and PAT HENDERSON examine CAROLYN KOCH'S artistic ability. Nate, Joel, and Pat gained recognition in the Time Magazine Contest, while Carolyn and Bob won Gold Key art awards and Rob won a Gold medal for his participation in a speech tournament.

By working for high grades, TOM SMOLICH won the High Academic Award, having the best grade average of any Senior in college preparatory classes. In addition to getting good grades, Tom is Senior Class President and chairman of the American Field Service Committee.

Students

Honor and achievements are not limited to any one field at John Burroughs.

Barbara Blecka and Luana Jackman brought honor to Burroughs by representing the city of Burbank in the Rose Parade.

Doreen Davis, through her outstanding talent in drama, won a \$500 scholarship. Tee Guidotti, who has extraordinary ability in the field of science, displayed his talents at a university last summer.

Participation in clubs and organizations won honors for Charla Schrey and Steve Fortmann.

Doug Clark, Mike Wilson, and Bob McCorkle were honored through their interest in sports.

It is evident that honors at Burroughs can be gained through participation and the sincere desire to succeed.

Snow White was portrayed by Senior BARBARA BLECKA on the Burbank float entitled "Our Small World of Make Believe". The float was sponsored by Walt Disney Studios, and it appeared in the annual Rose Parade.

DOREEN DAVIS was cast as "Mama" in the Senior Play, "I Remember Mama", in addition to winning a \$500 scholarship at the Southern California Drama Teachers' Festival.

"It's a Small World" was the theme given to this year's Rose Parade in which LUANA JACKMAN represented Sleeping Beauty on the Burbank float.

CHARLA SCHREY and STEVE FORTMANN were honored by a Burbank businessmen's organization, the Optimist Club, with the Youth Appreciation Award for their outstanding participation in clubs and organizations, both in and out of school. The two Seniors were chosen out of various names that were submitted to the Optimist Club.

Because of his outstanding efforts to combat a fatal disease during the summer of '65 at the University of Southern California, Junior TEE GUIDOTTI was awarded some scientific equipment.

Junior CORKY BUSETH won the honor of Most Valuable Player of the "B" football team for the season. Playing the position of fullback, Corky proved his excellence through his fast running and tough blocking.

Highlighting the Burbank-Burroughs football and basketball games are always the reigning queens and princesses.

The queens and their courts were selected by the football and basketball teams and were announced at the Burbank-Burroughs rallies. Nancy Cole, Marlene Furrer, and Penny Warriner were selected to fill Betty Jo Thorp's royal football court. Basketball Queen Diana Feola's court was Penny Warriner, Priscilla Griffin, and Carrie Rector.

The rallies are always exciting, but the excitement ultimately reaches its height with the crowning of the queen. Nervous nominees can always be seen squirming in their seats as the announcements are being made. Being selected as a queen or princess is a great honor filled with thrills and tears.

Senior GAIL FOSTER lead the Burroughs Marching Band and Minorettes through many intricate routines during halftimes at football games. Gail was chosen after demonstrating her abilities in marching, giving commands, and using the whistle and the baton.

ADMINISTRATION

Eighty-one instructors made up this year's teaching staff. John Burroughs' teachers strive to find the most effective teaching methods possible. In an effort to break the monotony of lectures, teachers make wide use of films, slides, and film strips. They also strive to help their students by returning graded papers as quickly as possible. Burroughs faculty members freely give many hours of their time that are outside actual class time. Class council sponsors must be at school to supervise early morning meetings. Teachers are also called upon to supervise various school activities throughout the year.

The administrative staff includes the principal, two assistant principals, a curriculum coordinator, a coordinator, and six counselors.

Eight secretaries make up the secretarial staff, and they work with permanent records, attendance records, money matters and insurance. The ten members of the janitorial staff work to keep the school sparkling, and the ten cafeteria staff workers prepare healthful meals.

Student Body

Students learn ropes of government

STUDENT BODY OFFICERS: Judy Aboud-Girls' League President; Bill Bowers-Associated Student Body President; Barbara Boysen - Auditor; Cheryl Curtin-School Spirit Chairman; Chris Leverson-Boys' Council President; Marc Levinson-Vice - President; Steve Sexson-Recorder.

Learning the functions of school activities and government are BARBARA BOYSEN, Auditor; MARC LEVINSON, Vice-President; JUDY ABOUD, Girls' League President; MISS BITTERSWEET WOJTYLA, Associated Student Body Sponsor; CHERYL CURTIN, School Spirit Chairman; STEVE SEXSON, Recorder; and CHRIS LEVERSON, Boys' Council President.

Beginning her third year as Associated Student Body Sponsor is MISS BITTERSWEET WOJTYLA, whose chief duty is to guide and assist the officers. Although the student officers officiate most of the governmental duties, Miss Wojtyla is the backbone of all procedures and activities.

GIRLS' LEAGUE OFFICERS: Judy Aboud-President; Faye Cregger - Vice-President; Pat Henderson- Secretary; Maureen Wheeler- Treasurer.

Attending to the weekly business of Girls' League meetings are JUDY ABOUD, standing, and sitting, PAULA KEEHN, CHERYL CURTIN, MAUREEN WHEELER, PAM GALICA, and PAT HENDERSON.

Students attending John Burroughs learn the ropes of school government. Working and participating in government affairs prepare school officers for a better concept of the procedure of their state and federal governments. Through being in such close contact with the functions of government, and also through experiencing the many aspects of it, these students will be more aware of the importance of adult participation in government. Clearly, such things as being an officer or participating in Girls' League or Boys' Council are advantageous to any student's future.

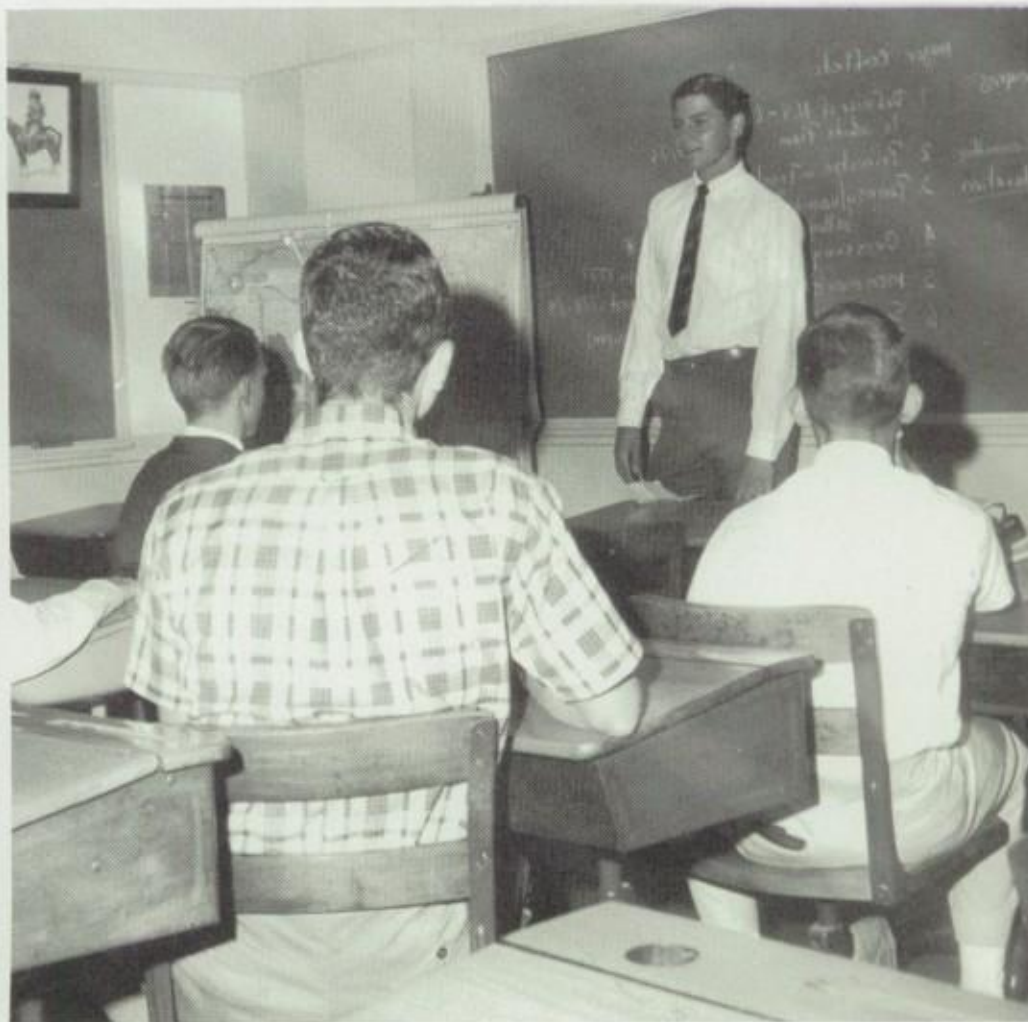

Understanding and knowledge of government would not be possible if it were not for the guidance and leadership of our teachers.

School spirit is also an essential factor in every high school student's life. Therefore our Mascot and Squaw are very important symbols of John Burroughs.

"Heap" ready to lead our team to victory are Mascot HARRY MADDREN and Indian Squaw JUDY MICHAUD, who were appointed by the Pep Sponsor, MR. DAVID BLANKENBURG.

All girls attending John Burroughs are members of Girls' League and are welcome to come to the meetings. The Girls' League Board sponsors such activities as the Mother-Daughter Banquet, Bermuda Day, and the Backwards Dance.

One of the many duties of the Boys' Council President, CHRIS LEVERSON, is conducting the Boys' Council meetings. This organization is made up of students elected from each gym class to represent the boys of John Burroughs. Activities such as sports nights and all the athletic banquets are planned by the Boys' Council.

One of the most essential factors in any high school is school spirit. This year school spirit was higher than it has been in quite a few years. This was partly due to the fantastic football team that did so well.

Rally Committee, Pep Council, and the Songleaders were the roots of all the enthusiasm for sports this year.

The Assembly Committee added to the activities of the students. If it hadn't been for this committee, assemblies never would have come off!

SANDY COGIL, chairman of Rally Committee, offers ideas to the Committee Members to make the rallies more enthusiastic. MR. FLOYD SMITH remained as Rally Committee Advisor this spring.

Approximately 60 Burroughs girls are members of the drill team. The Minorettes perform various routines during the half time of home games, while the band entertains with music. Participating in the drill team is the Minorettes' way of showing their school spirit and deep interest in John Burroughs High School. In addition to giving support to their school, the girls gain many memories.

School spirit was promoted by the cheering and enthusiasm of yell leaders TERI BAXTER, ROBIN PARKER, BETTY JO THORP, JOY SOTTILE, and head yell leader, RICHARD BUSS.

on to victory

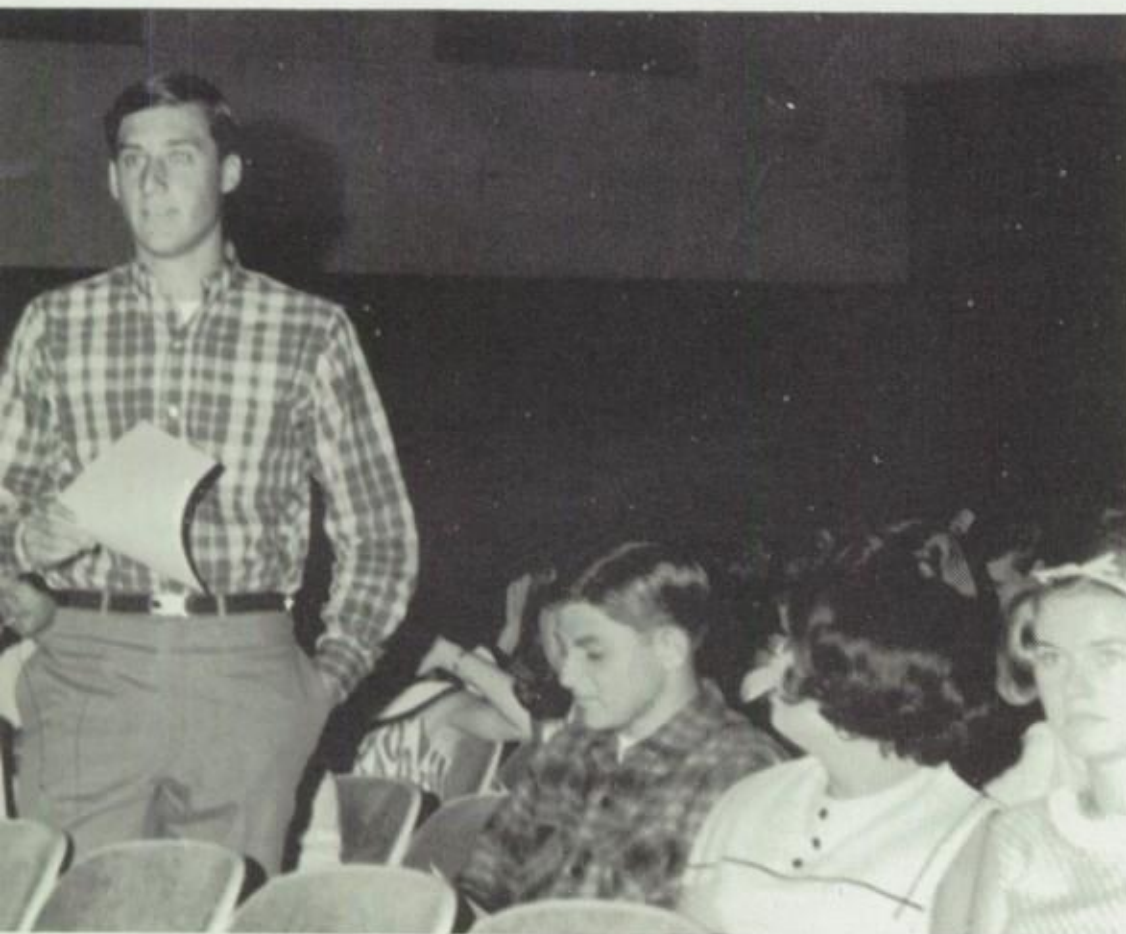

"Knees up and guide right," are just two of the familiar cries heard by the Minorettes early in the morning during football season. Participants in the drill team usually begin practice at 7:30 in the morning and then work through their first period gym class.

Minorettes are selected in the spring by a committee of experienced Minorettes, Minorette Sponsor Miss Bittersweet Wojtyla, and a portion of the faculty. Before school is out, the Minorettes decide on the costume for the coming year, which they make themselves over the summer.

For each game a different Minorette routine committee makes up the routines for the next half time in collaboration with Miss Wojtyla.

Majorettes LUANA JACKMAN, DIANE BLONDER, DIANE MERRITT, SANDY FENAJA, and MERRA LEE HUMMER, displayed their talent during football games and rallies. Diane Blonder was the head Majorette.

While JENNIFER GOOD, JUDY ABOUD, and CHRIS LEVERSON listen intently, MARC LEVINSON brings an important matter before Legislative Council. Members are elected as representatives to Legislative Council in their communication classes.

Government leads the way

Democracy is put into action at John Burroughs through different organizations.

The executive cabinet, which is composed of all of the associated student body officers, the president of Girls' League, and the president of Boys' Council, is concerned with the problems that arise in the student body. All the members of the executive cabinet attend the Legislative Council meetings and are ready to assist the student body whenever they are needed.

Legislative Council is composed of members from the executive cabinet. It also includes committee chairmen, club members, and representatives from each Communication class. Patterned after the United States Congress, the Legislative Council provides the members with experience in a working democracy.

Under the direction of Advisor MRS. BETTY TREMPPE, the Publicity Committee members, VIRGINIA MARTIN, SARI MARCINKO, JUDY ABOUD, STEPHANIE DODGE, LINDA COX, RICK TALCOVE, MARC LEVINSON, and MAUREEN MOREL, publicized activities at John Burroughs.

Girls' League President CHERYL CURTIN discusses highlights of the spring semester such as the Backwards Dance, Crazy Day, and the "Mona Kneesa" contest. "Girl of the Month", a contest in which a girl is honored for her outstanding participation in school activities, was also sponsored by Girls' League.

SPORTS

Every person who went out for a sport, whether he was last man rink or the most valuable Varsity player, was an important part of the jigsaw puzzle illustrating the John Burroughs sports picture. The following pages, which contain a few instances of the glory of victory and the agony of defeat these athletes encountered, are dedicated to the individuals who helped to form this picture and to the student body they represented.

Guiding the team on to their victorious season were Head Coach BOB DUNIVANT, Backfield Coach KEN BIERMAN, and Line and Junior Varsity Coach RANDY EDWARDS.

and two defeats

This year's football team members knew that they could not be stopped. Their new records included seven victories recorded in a season, five consecutive games won, and a second place finish in the Foothill League.

The offensive and defensive units recorded envious performances. The offense was balanced with a strong running and passing attack. The team gained 2400 yards, 116 first downs, 24 touchdowns, and 151 points. For the first time in many years, the defensive team held the opponents scoreless in three games. They beat Blair, 25-0, Hoover, 12-0, and Burbank, 19-0. The defense held the opposition to 1500 yards, 65 first downs, 11 touchdowns, and 72 points.

The student body was extremely proud of the coaches and the team.

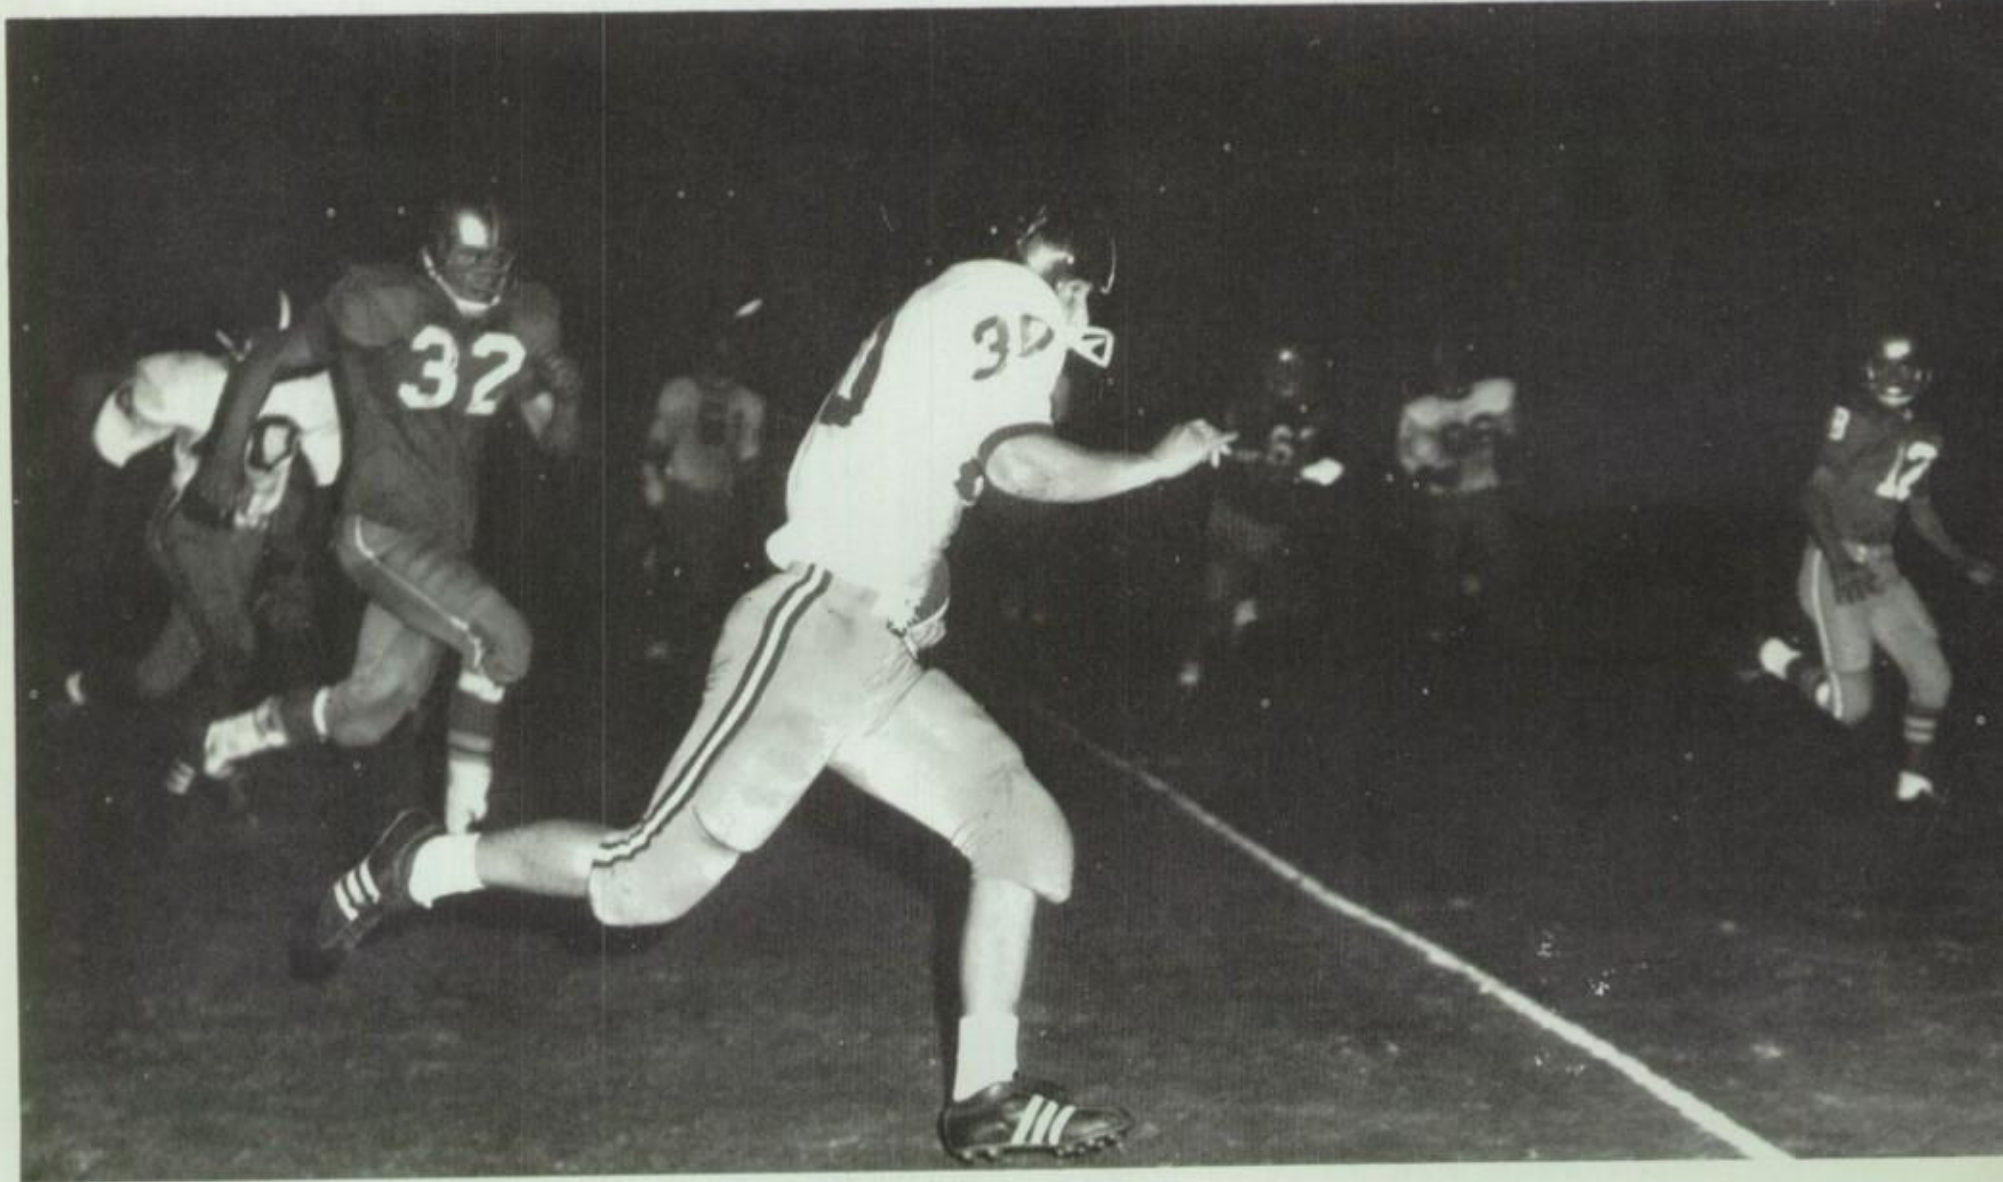

Burroughs was fortunate to have these fine Quarterbacks, Sophomore PAT FORD (12), Junior DICK SHEPPARD (10), and Senior BOB McCORKLE (11).

Sparking Burroughs' offense this season were TIM McGINLEY, GEORGE HILL, AL IACOBONI, TOM BABAGIAN, MIKE WILSON, BOB KEMPER, and KEN SWINK on the line, and DOUG CLARK, TIM McCORKLE, BOB McCORKLE, and MIKE ERICKSON in the backfield.

Leading this year's squad were co-captains MIKE WILSON and DOUG CLARK. Both men were two year lettermen.

Varsity wins first league opener since

Outrunning JEFF RAY (32) and PAUL BUNCE (12) of Blair is Fullback TIM McCORKLE (30).

Successfully trying to prevent an Eagle Rock pass completion is DOUG CLARK (41). Doug kicked the winning point in this game with Burroughs winning 13-12.

Burroughs began the league season on a good note by beating Blair 25-0. For the first time since 1961, our defense blanked an opponent. Our offense showed how it could move the ball by gaining 307 yards and 17 first downs. Tim McCorkle led the rushing attack with 70 yards gained, and our three Quarterbacks, Bob McCorkle, Dick Sheppard, and Pat Ford, completed 12 out of 17 passes for a total of 131 yards.

For the second year in a row Burroughs Varsity defeated Eagle Rock 13-12. Our offensive punch was led by Quarterback Bob McCorkle, who gained 42 yards on the ground, completed 8 out of 13 passes for 89 yards, and scored 12 points. Because of his performance he was named "City Player of the Week" by the Burbank Daily Review. Our strong defensive team allowed Eagle Rock just 74 yards and six first downs.

1956

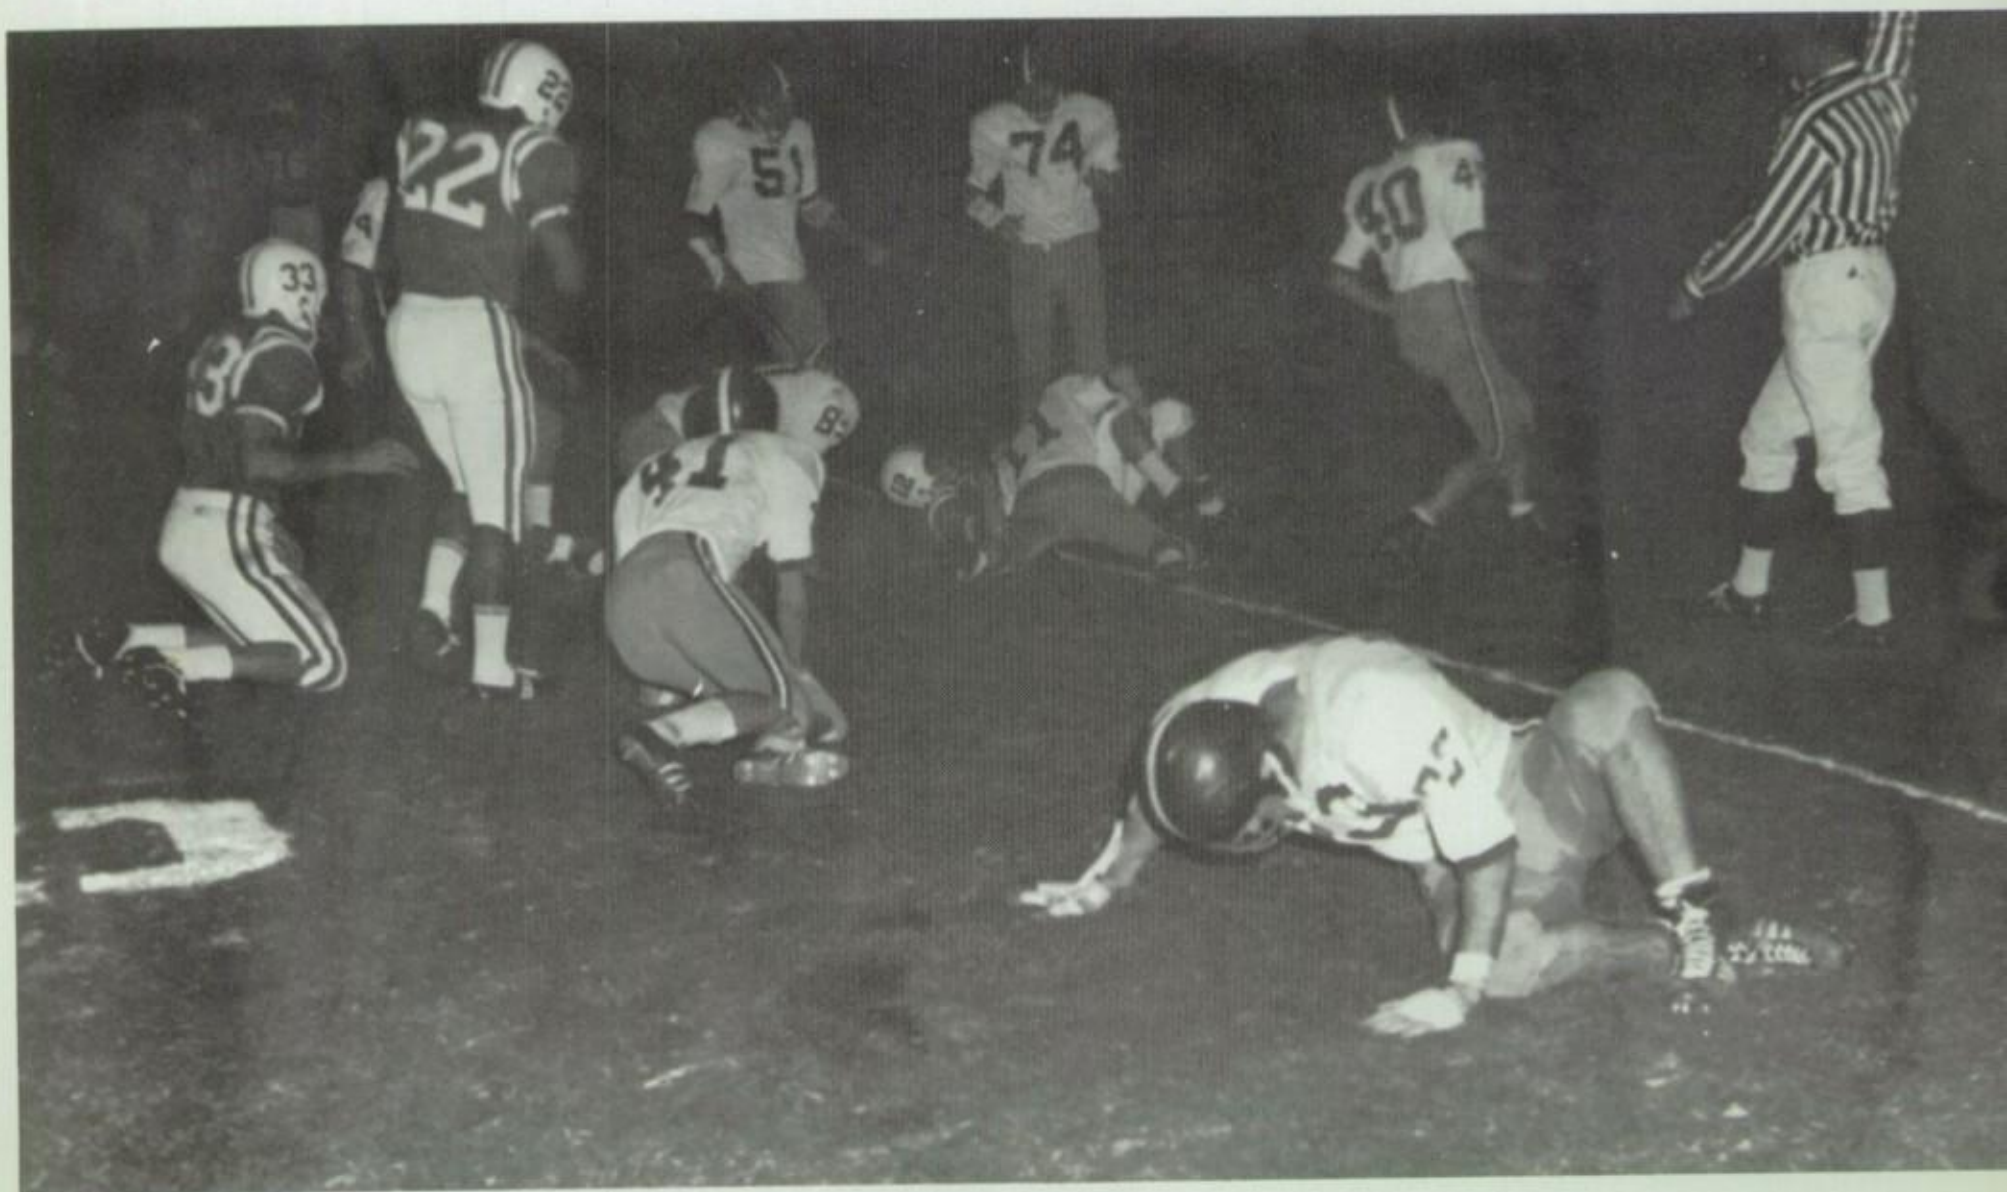

Demonstrating how our pass receivers have successfully held on to the pigskin this year is CRAIG CANFIELD (40).

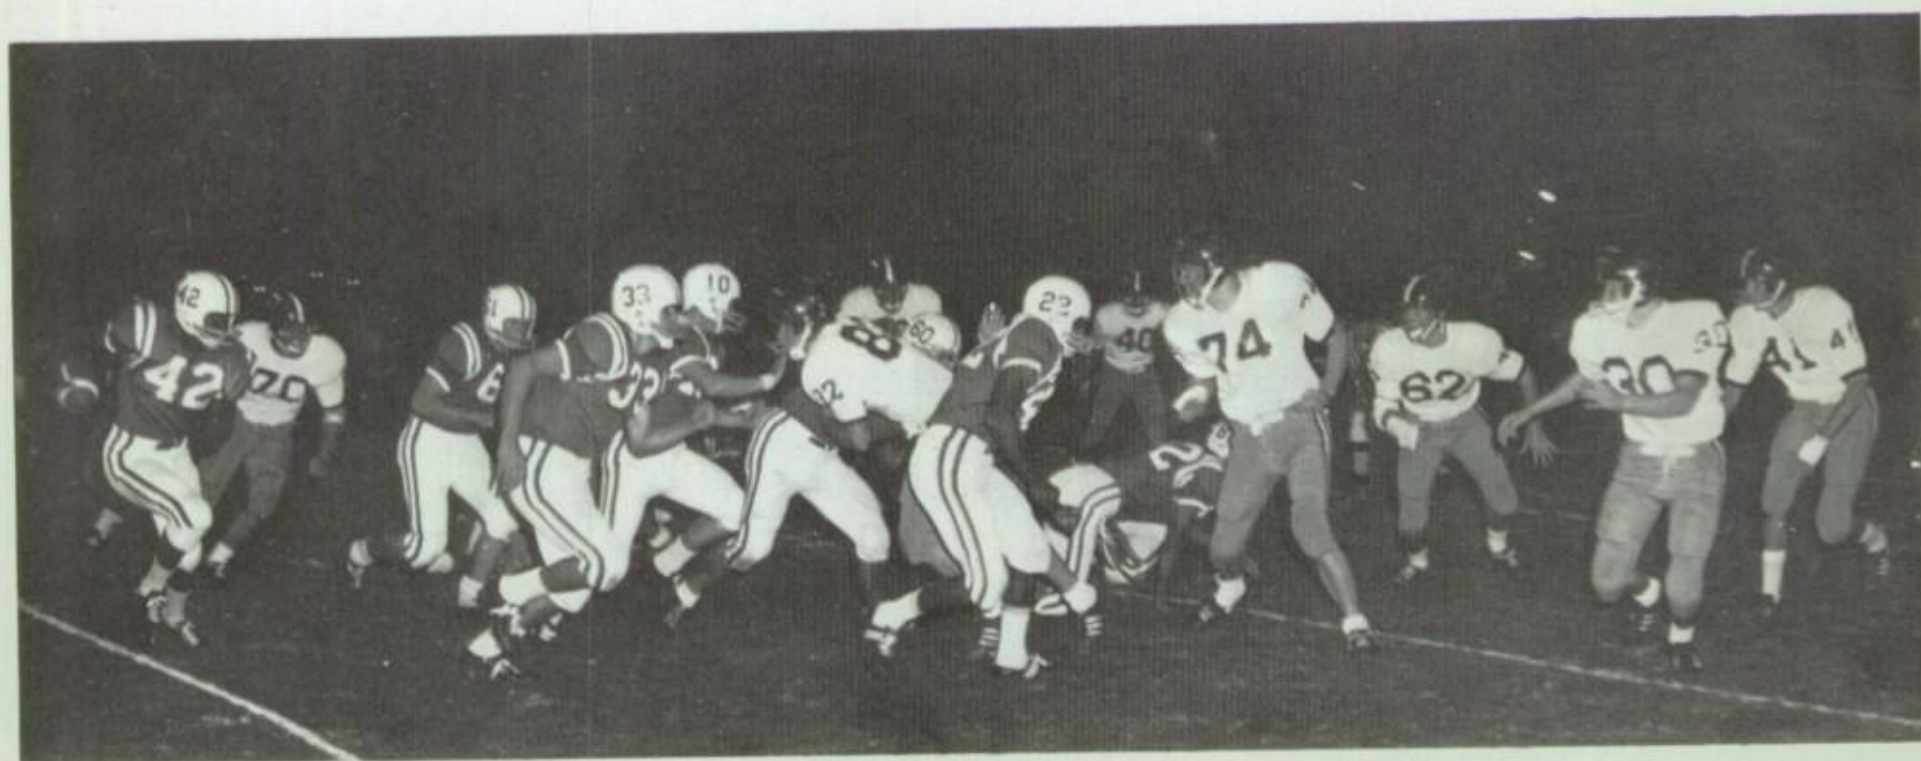

Onlookers MIKE WILSON (70) and TIM McCORKLE (30) are unable to offer assistance as an unidentified Burroughs player is brought down by two Blair tacklers.

Surrounding and halting another Pasadena drive are MIKE WILSON (70), TIM McGINLEY (82), CRAIG CANFIELD (40), JERRY LEE (74), AL IACOBONI (62), TIM McCORKLE (30), and DOUG CLARK (41).

Pasadena, 14-0

"You're the first team to control the ball on us during the fourteen games that we have been unbeaten," stated Pasadena's coach to Mr. Robert Dunivant after the Bulldogs defeated Burroughs 14-0. Although they did lose, the Indians played a strong game, running 65 plays compared to Pasadena's 51, picking up 11 first downs to their opponent's 8, and trailing in total yardage by only ten, 193-203. End Ken Swink, "City Player of the Week" for the Blair game, sustained a broken nose in the first half and was out of action for a week.

In the first half of the season the Varsity offensive department had gained 186 yards. Tim McCorkle, Bob McCorkle, Doug Clark and Dave Hormuth led the ground gaining attack, while Dick Shepard and Bob McCorkle riddled the opponent's defense with pinpoint passes.

DOUG CLARK (41) is shown halting a Pasadena drive. As MIKE WILSON (70) and JERRY LEE (74) come to offer assistance, two referees call the ball dead.

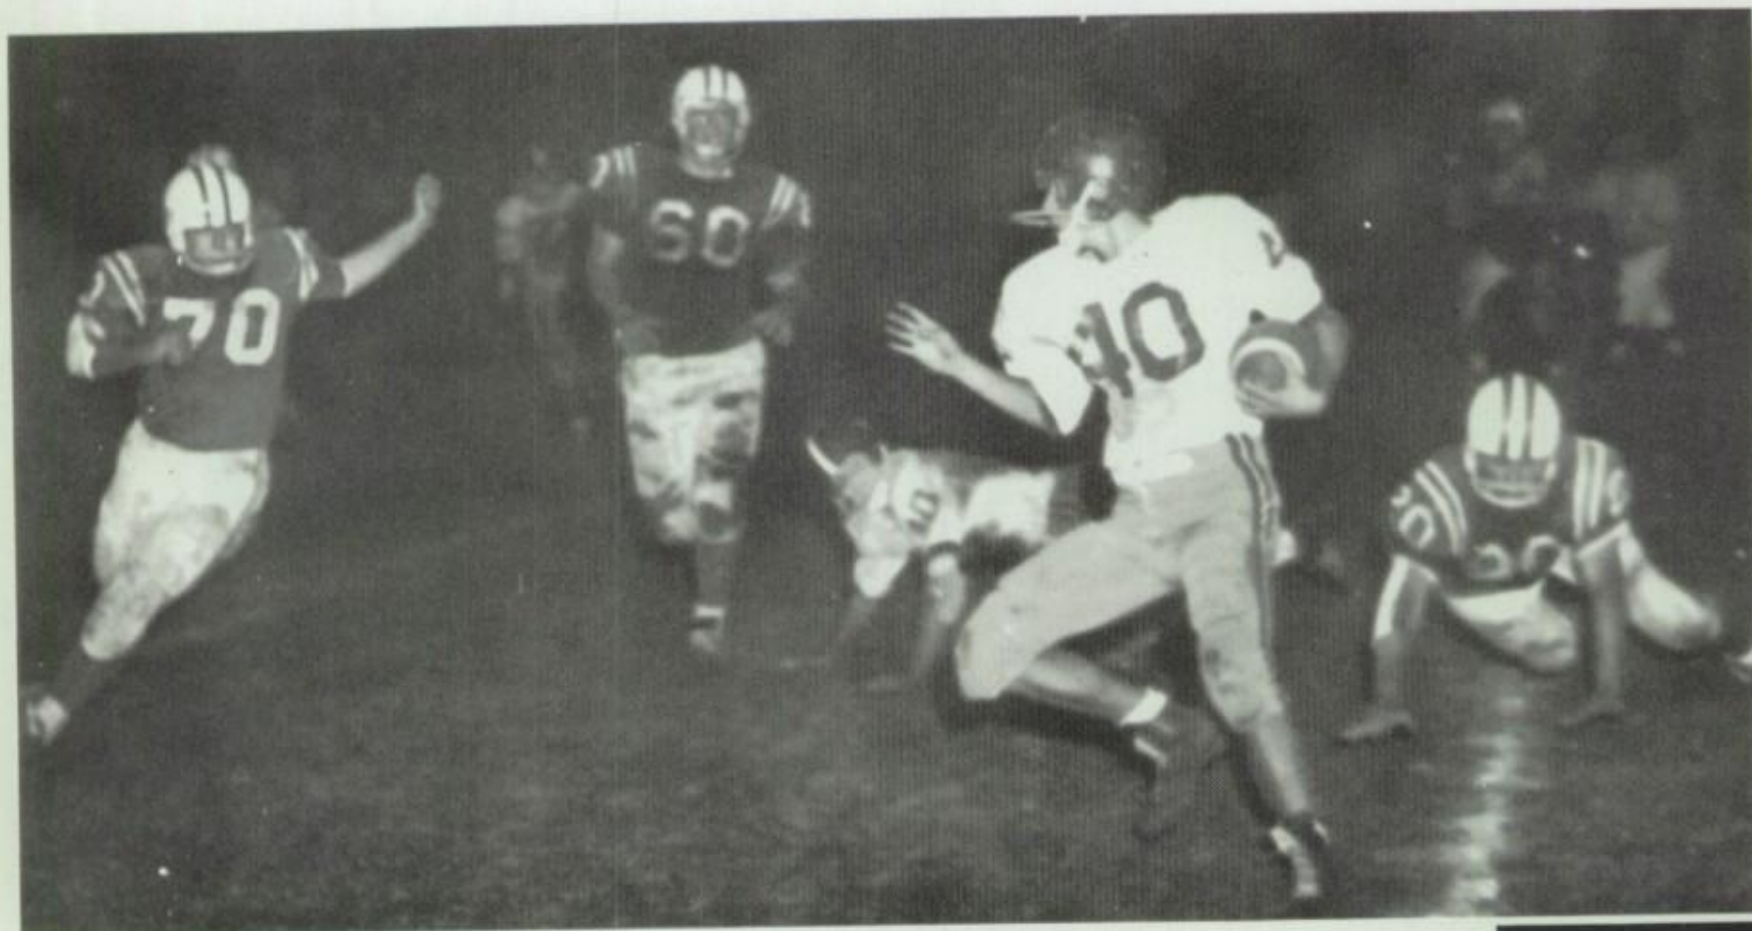

Demonstrating the fine art of tackling to a slightly sore Pasadena man are seven Varsity players.

Sophomore Quarterback PAT FORD (12) gets off a pass before an Eagle Rock defensive man can stop him.

Tribe takes second place in Foothill

Maneuvering around two Burbank defenders, RANDY BOEING (70) and JIM BROWNLEE (60), is Sophomore CRAIG CANFIELD (40). The Indians defeated the Bulldogs, 19-0, winning the City Championship for the second year in a row.

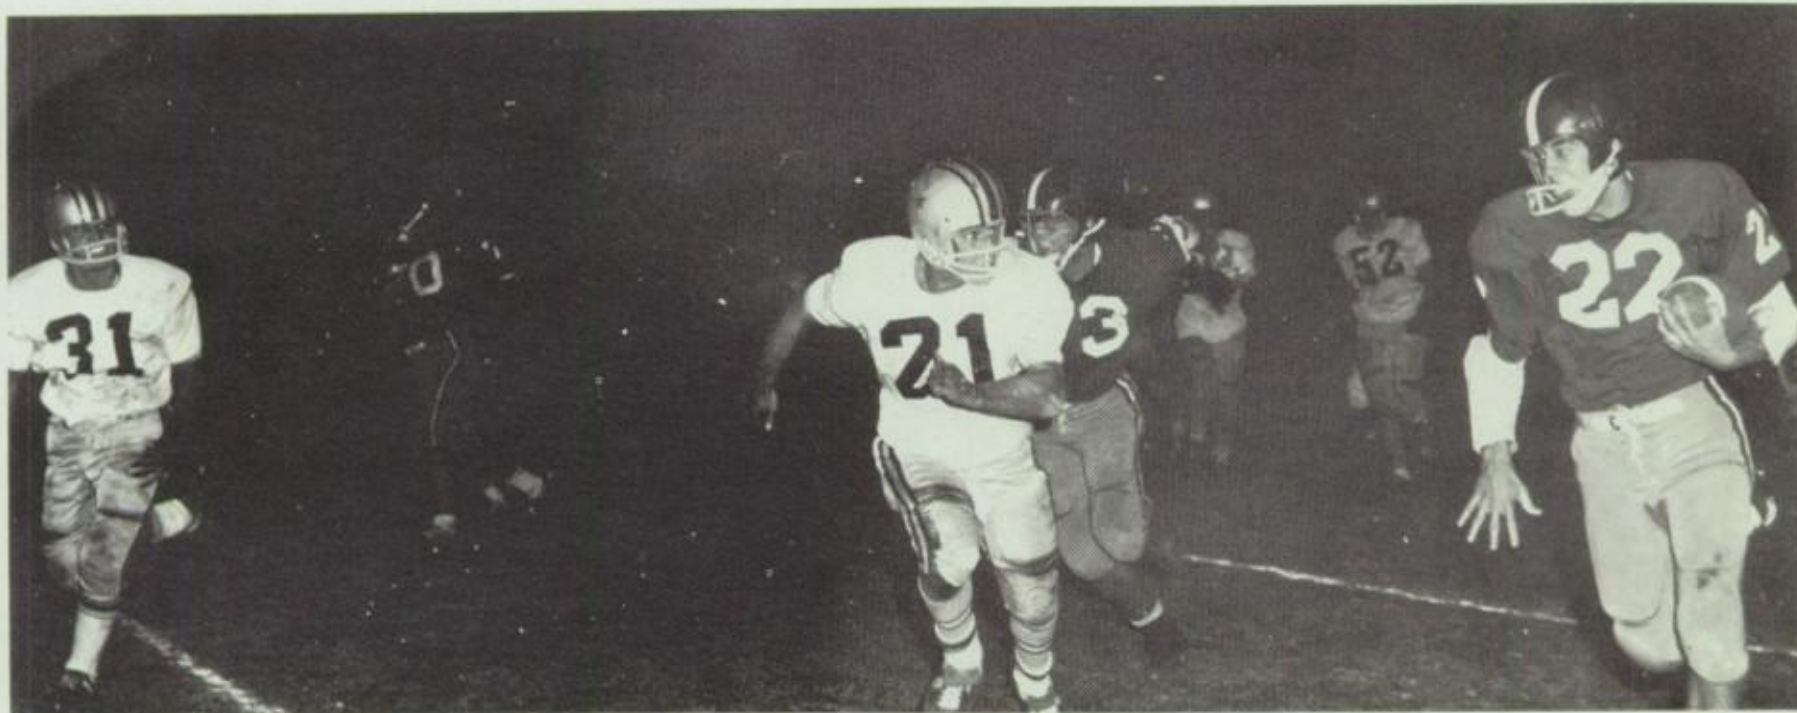

Knocking over two Glendale men on his way to a touchdown is Quarterback BOB McCORKLE (11). In the Glendale game the Varsity scalped the highly rated Dynamiters, 30-13.

Outrunning BOB SHAFFER (21) and DENNY KENT (31) of Crescenta Valley is Sophomore sensation MIKE ERICKSON (22). Mike caught two passes, averaged 12.2 yards per carry, scored one touchdown, and was named Burbank Player of the Week.

Finding no receivers open, BOB McCORKLE (11) runs around Burbank's JERRY TOMIC (10) and GIL URIBE (21) for a first down. This year Bob gained 1050 yards and passed and ran for 17 TD's.

STUDENT COACHES

The "B" team, which finished in fifth place in the Foothill League, was coached by Mr. Ed Viskocil who became head mentor this season after serving as assistant coach for six years. This year's squad had an experienced back-field with four returning lettermen. The line was weak because there were no returning interior linemen. The line was bolstered by moving a back to the left guard position. This season's team changed from the traditional single-wing to the T-formation because of lack of experience and speed in the line. This transition revealed the talents of a hard-driving fullback and a Sophomore quarterback.

Though the team did not have a winning season, the members had a great deal of spirit and they played their hearts out.

Clutching the ball after a modest gain in the Eagle Rock game is Sophomore Quarterback RANDY SHULTZ (12). Randy was Most Improved Player on the "B" team.

Giving pointers to all-around back BOB RENNIE is Assistant Coach JERRY LIBMAN and Head Coach ED VISKOCIL, who is in his first year.

Stopping End J. HOLDEN (62) of Blair is Defensive Back MIKE BUNCH (15).

Desire and hard work pays off for

After losing the first two games to Notre Dame, 7-2, and Eagle Rock, 32-0, the Braves recorded their first victory against Blair, 40-0. In one of their best defensive efforts the lightweights lost to Pasadena, 12-0. The following two games saw them lose to Crescenta Valley, 41-0, and Glendale, 51-13. The second win of the season was against Hoover, 18-7, with Corky Buseth turning in an outstanding performance by gaining 252 yards in 32 carries for 7.9 yards per carry. The team lost to its cross-town rival Burbank, 13-7. The final game versus Muir was rained out.

This year's reserve squad gained valuable experience for next year's team by defeating Alemany, 27-7, and Burbank, 7-0. The squad lost three games.

Most Valuable Player CORKY BUSETH is shown being brought down by a Blair man. In the game which the Braves won, 40-0, BOB RENNIE and Corky scored six touchdowns and three points after touchdowns.

Being surrounded by a throng of players from Crescenta Valley is two year letterman WAYNE CHUBB.

Encircled by three San Marcos players, Senior Guard WAYNE TRELOGGEN drives in for a layup with STEVE KEITH (34) looking on. The Indians were victorious, 72-63.

After defeating CIF ranked San Marcos and Notre Dame in the practice season which earned them a 5 and 5 record, the Varsity sported an even record in the league, winning 7 and losing 7. Some highlights of the season were their upsets over Hoover, Burbank, and CIF ranked League Champion, Crescenta Valley.

This year's team was led by Ted Faro, co-captain and most valuable player, Steve Berta, the top rebounder, Dennis O'Donnell, the most improved player on the squad, Chris Clay, co-captain and a good ball handler, and Wayne Trelolgen. One of the big guns in the hitting department was left fielder, pitcher, and co-captain LONNIE LOOS.

Playing determined ball for the Varsity all season was third baseman and co-captain KEN SWINK.

Playing above average ball and out-hustling and outplaying their opponents were the Varsity and Junior Varsity baseball teams. Leading the Varsity's well balanced attack were John Garza in the hitting department, pitchers Tom D'Errico, Lonnie Loos and Bruce Albertson, and the infield combination of Larry Ritcheson, Gil Rodriguez, Bob McCorkle and Ken Swink. The team, which worked well as a unit, consisted of nine Seniors, three Juniors and two Sophomores.

Winning four of their first five games which included league wins over Muir, 5-1, and Glendale, 15-0, was the Junior Varsity. The early part of the season saw the JV's defeating the opposition with good hitting, pitching, and fielding. Serving as Captain of the team which consisted of Sophomores and Juniors was Bruce Cook.

Adeptly managing the track team were SANFORD BOLASNA, GREGORY HALAMICEK, and STEPHEN FORTMANN. The seldom publicized managers of every team do not receive enough credit for their hard work.

times and distances

This year's Varsity track team improved in almost every event over last year. The team was led by sprinters Joe D'Alessio and Dan McHorney, hurdler Emil Koch, 440 men Jim Gillis and Gene Arnsperger, and one of Burrough's finest array of distance men in recent years with Steve Lukasiak in the 880, Ray Jolley and Tim Brazell in the mile, and Mike Malloy and Ed Mahler in the two mile. Depth was the word for the field events with CIF vaulter Steve Morris, Jim Lackey and Steve Hamilton in the pole vault, Craig Putnam and Tim McGinley in the long jump, and equally fine high jumpers and shot putters.

This year's "B" team started the season off on the right foot by defeating Notre Dame, 56-38, and Loyola, 75-20. Valuable points were picked up throughout the year by sprinter Ted Marcinko, hurdler Ray Shultz, pole vaulter Steve Spencer, long jumpers Greg McAthys and Bob Rennie, and middle and long distance runners Larry Stoddard, Don Tucker and Rick Hernandez.

Burroughs' "C" team, one of the best in ten years, was led by Mike Bunch who posted the best "C" sprint times in the Valley, Mike Turner in the 660, Jonathan Woodard in the pole vault, and the record breaking relay team of Tom Marx, Larry Phoenix, Tom Howell and Mike Bunch.

traditions and memories

The 1966 Senior Play by John Van Druten was "I Remember Mama." It was given February 4 and 5 in two evening performances. BILL BOWERS was "Papa," CARLA THOMAS was "Christine," PHIL LUCERO was "Nels," HEATHER MENZIES was "Katrin," and DOREEN DAVIS was "Mama." The comedy-drama boasted one of the largest casts ever in a non-musical production at Burroughs.

Always ready to give advice to daughter HEATHER MENZIES was BILL BOWERS, who played the role of "Papa."

This hospital scene shows a frustrated KATHY TRACEY as "Jenny," a troubled WAYNE OSTRANDER as "Mr. Hyde," a joyful MERRA LEE HUMMER as "Trina," and a frightening CHRIS CASADY as "Uncle Chris."

Helmets, footballs, and touchdowns

Helping get the first annual Powder Puff Derby off to a roaring start was Coach Bob Dunivant. Bounding BETTY JO THORP (30) represented the "Red Hot Mamas" and Elusive EBIE BRET-HOUR (23) represented the "Batmen."

Using proper (?) blocking techniques, a "Red Hot Mama" attempts to bring down Leaping LINDA CONNER (20) who later scored a touchdown.

Bounding BETTY JO THORP (30) is on the run with the ball towards the goal posts. Team member Daring DIANE FEOLA (40) comes up to help clear the path.

make new JB traditions

Left halfback, Bounding BETTY JO THORP (30) sprints toward the end in an attempt to make a touchdown, while Terrible TERRY HOGARTH (82) tries to mow down opposition, Courageous CECILIA ANDRADE (80).

Taking over the task of cheerleading at the Powder Puff Derby was Timid TIM MCGINLEY, Stumbling TOM BABAGIAN, Winsome WAYNE CHUBB, and Spirited TIM MCCORKLE.

Giving the courageous volunteer football players, CAROL SARAGOSSI (11) and BETTY JO THORP (30), a big cheer and sendoff were song leader Jumpy JEFF WILSON, and yell leader, Winsome WAYNE CHUBB.

Music of the Theatre

Wedding bells ring for the "Judge," VERNE WILLIS and the "Bride," MICHELLE RICHARDSON in "Trial By Jury" which was presented at John Burroughs on January 14, 15, 21, and 22.

Displaying their ability as bridesmaids are PAM DAY, BARBARA BLECKA, MERRA LEE HUMMER, and JACKIE WILLIAMS.

The voices of the Senior Choir members blend to make the Music of the Theatre program a success.

Juniors

Through the capable and well directed efforts of the class officers, the Juniors enjoyed a very prosperous year. The class of '67 is full of spirit and go. They planned and participated in the Junior Prom and carried out events that began only as ideas during their Sophomore year. The Juniors were active the entire year. They began their busy year with the selling of red and white Burroughs' pennants. The Juniors did not keep to themselves. They were a very active part of the student body. The Class of '67 had many strong members on the schools' different athletic squads. The Juniors supported the all school events and showed their great spirit by attempting to out yell the Seniors at the many rallies. The Junior Class had a strong, active council due to the strong leadership of the well selected officers. The money raising projects were very successful. The class had enough money for expenses and still had a sizable sum to carry over into their Senior year. The Junior Class has proven itself to be well organized and efficient. They are strong academically, physically, and school spirit wise. Using their good judgement, they elected strong leaders. They are rightfully a proud class. Burroughs will probably see more of their strong points and actions before the day in June of '67 arrives when today's Juniors will become alumni.

Class President sets good example

Heading the list of Junior Class officers for the Winter '65 semester was TEE GUIDOTTI, president. With the help of his advisor and cabinet members, Tee was able to lead the Juniors in a most profitable and enjoyable year.

MR. DAVID BLANKENBURG taught the class.

Shops

This year, for the first time in Burroughs' history, a girls shop class was offered as an elective. The idea behind this shop class was to give its participants some practical knowledge of automobile maintenance along with a small course in metal shop. The first week was spent becoming acquainted with the usage of equipment necessary for the classes. In auto shop the girls learned the skill of changing tires as well as the proper way to grease and time cars. The girls made small useful projects in metal shop while becoming acquainted with the tools. The shop class was combined auto and metal since the girls attended both shops for ten weeks. Mr. David Blankenburg and Mr. Clarence Redman, instructors for the course, felt the program was a success.

Gaining experience in metal shop is SHARON RITTMILLER who is working one of the many machines.

Helping each other with their daily problems are DONNA STIVERS, MARIANNE SIVICK, LINDA LANGNESS, LESLIE HUSHAW, DEBBIE PARPOVICH, and MR. DAVID BLANKENBURG.

Ready to start drilling is VICKI MALOTT, one of the many girls that enjoyed metal shop.

provide girls with new skills

Learning the proper way to grease a car are KAREN WATKINS, JUDY MAURER, and NORMA HARRIMAN.

Checking what they have done before they go on to the next step are LYNLEE YEAGER, BRENDA LEE, LUCILLE ROLLINS, and LOLA HANSEN.

Indians welcome 648 new braves

Our 1965 - 1966 Sophomore Class at John Burroughs showed great promise, both in quantity and quality.

This new addition to the student body consisted of 648 teenagers who displayed an almost never before equaled spirit. Although they plunged into a world of harder homework, people-packed halls, and impossible to find assembly seats, they quickly adjusted to the active hustle-bustle of the high school life by joining clubs and organizations as well as by supporting their teams at athletic events.

Taller and stronger than usual, they were able to boast eleven representatives on the Varsity football team, in addition to those in Basketball, Baseball and Track.

Second semester they took part in school government by organizing a class council and electing officers. The foundations that the Sophomore Class has laid this year will determine their success as Seniors in the future. It seems that they have an excellent head start.

A black and white photograph of a classroom scene. A man in a suit and bow tie stands on the left, facing a chalkboard. The chalkboard has handwritten text: "PSAT" and "October 23, 1965" on the left, and "CSF and Honor Society Meets Here Today 10.14-65" on the right. A student is leaning over a desk in the foreground, and other students are visible in the background.

In line with end of the year excitement, most students don't have time to read the copy blocks that were so laboriously slaved over in Akela class. It is my hope that they will help you in the future to recall many happy moments from the '65-'66 school year.

Editor-in-Chief

A black and white photograph of three cheerleaders. They are wearing dark, sleeveless uniforms with white collars. Each cheerleader is holding a large, white, fluffy pom-pom high above her head with both arms. They are all smiling at the camera. The background shows a window with a view of trees and a building.

Nancy -
It has been
my pleasure knowing
you the past 3 years.
Although we weren't as close
as the last year we always
managed to keep in touch. You have
been very kind and understanding, and
I am glad we still making a big step
in your life and no matter how bad you mess
it up, there is always going to be your friends
around to back you up. I know this is an old
line but I say it with a cute loving personality.
a very darling girl of your success in this big man
I'm quite sure of your friend. I know some of this
world, but when you're up there as a big success didn't
forget to think of your friend. I guess I could conclude this
sounds pretty mixed up well. I'm sorry I couldn't
early in the morning. I guess I could conclude this
lovely mass of lines in just a few simple words with
lots of feeling. It has been great knowing you
And I think it will be greater in the future
God Bless you Nancy and you treat the boys
good. 10-4.

P.S. Don't let any
critics read this

Love Ya Always
Steve M. H.
